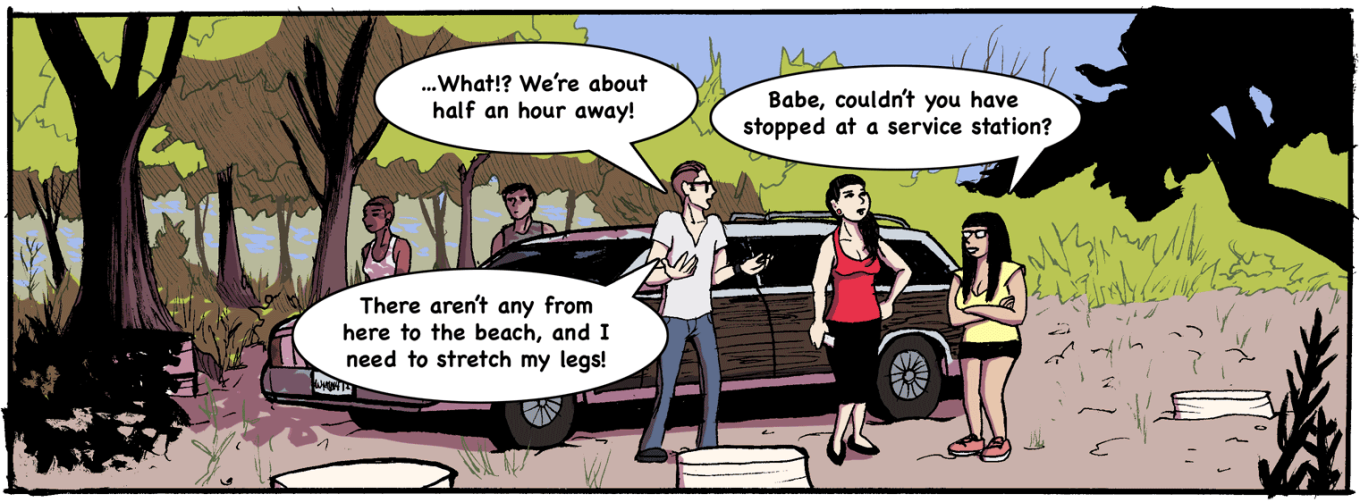
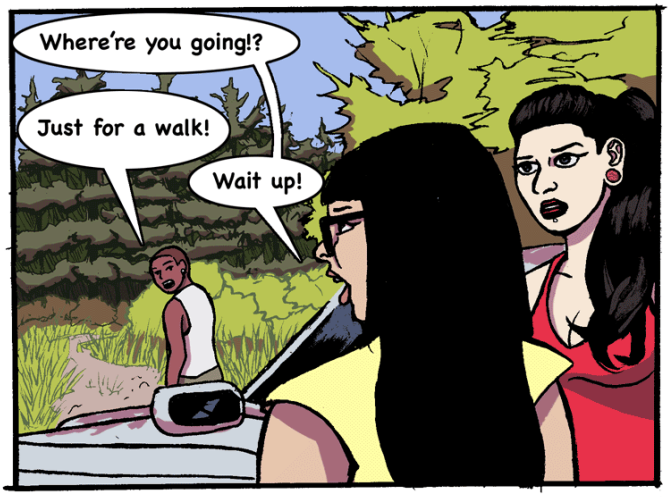
GEHENNA:
DEATH VALLEY
EPISODE 1
THE BECKA 2015

VRRRRRRMM
LUMINATI
...Did you have fun?
Well, it was both awesome and not awesome.
How so?
You seem to attract horrible people, Lauren.
First, I had no sleep for like, two days. And the people there were HORRIBLE!
I KNOW! At one point I was like, am I capable of doing this, or do I have crazy insecurities and need to see a therapist?
...You ladies getting out?



...What!? We're about half an hour away!
Babe, couldn't you have stopped at a service station?
There aren't any from here to the beach, and I need to stretch my legs!

So if you need to take a piss, do it now.
I'd rather use a toilet, thanks.
ANIKA!



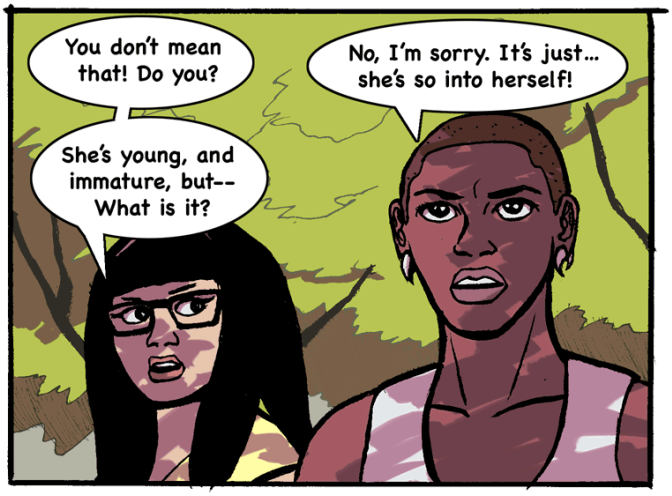
Where're you going!?
Just for a walk!
Wait up!

So, what do you think of Max?
Um, well I haven't talked to him yet.
He's cute though.
Don't tell me you organized this trip so you could match us up...
Max is Sean's best friend...

...And we wanted to go to the beach with some friends!
Whatever Marcie.

By the way... could you and Lauren try to get along?

*sigh*
I guess not.
I need you girls to get along for my wedding!
I will be civil, but that's it.
You didn't have to ask me to be a bridesmaid!



You don't mean that! Do you?
She's young, and immature, but-- What is it?
No, I'm sorry. It's just... she's so into herself!

PRIVATE PROPERTY NO TRESPASSING
VIOLATORS YOU WILL BE SHOT! SURVIVORS WILL BE SHOT AGAIN!
HEY!
Charming.

What are you ladies doing back there!?
Professing our unrequited love for each other!
Right on!
Copious amounts of lovemaking!

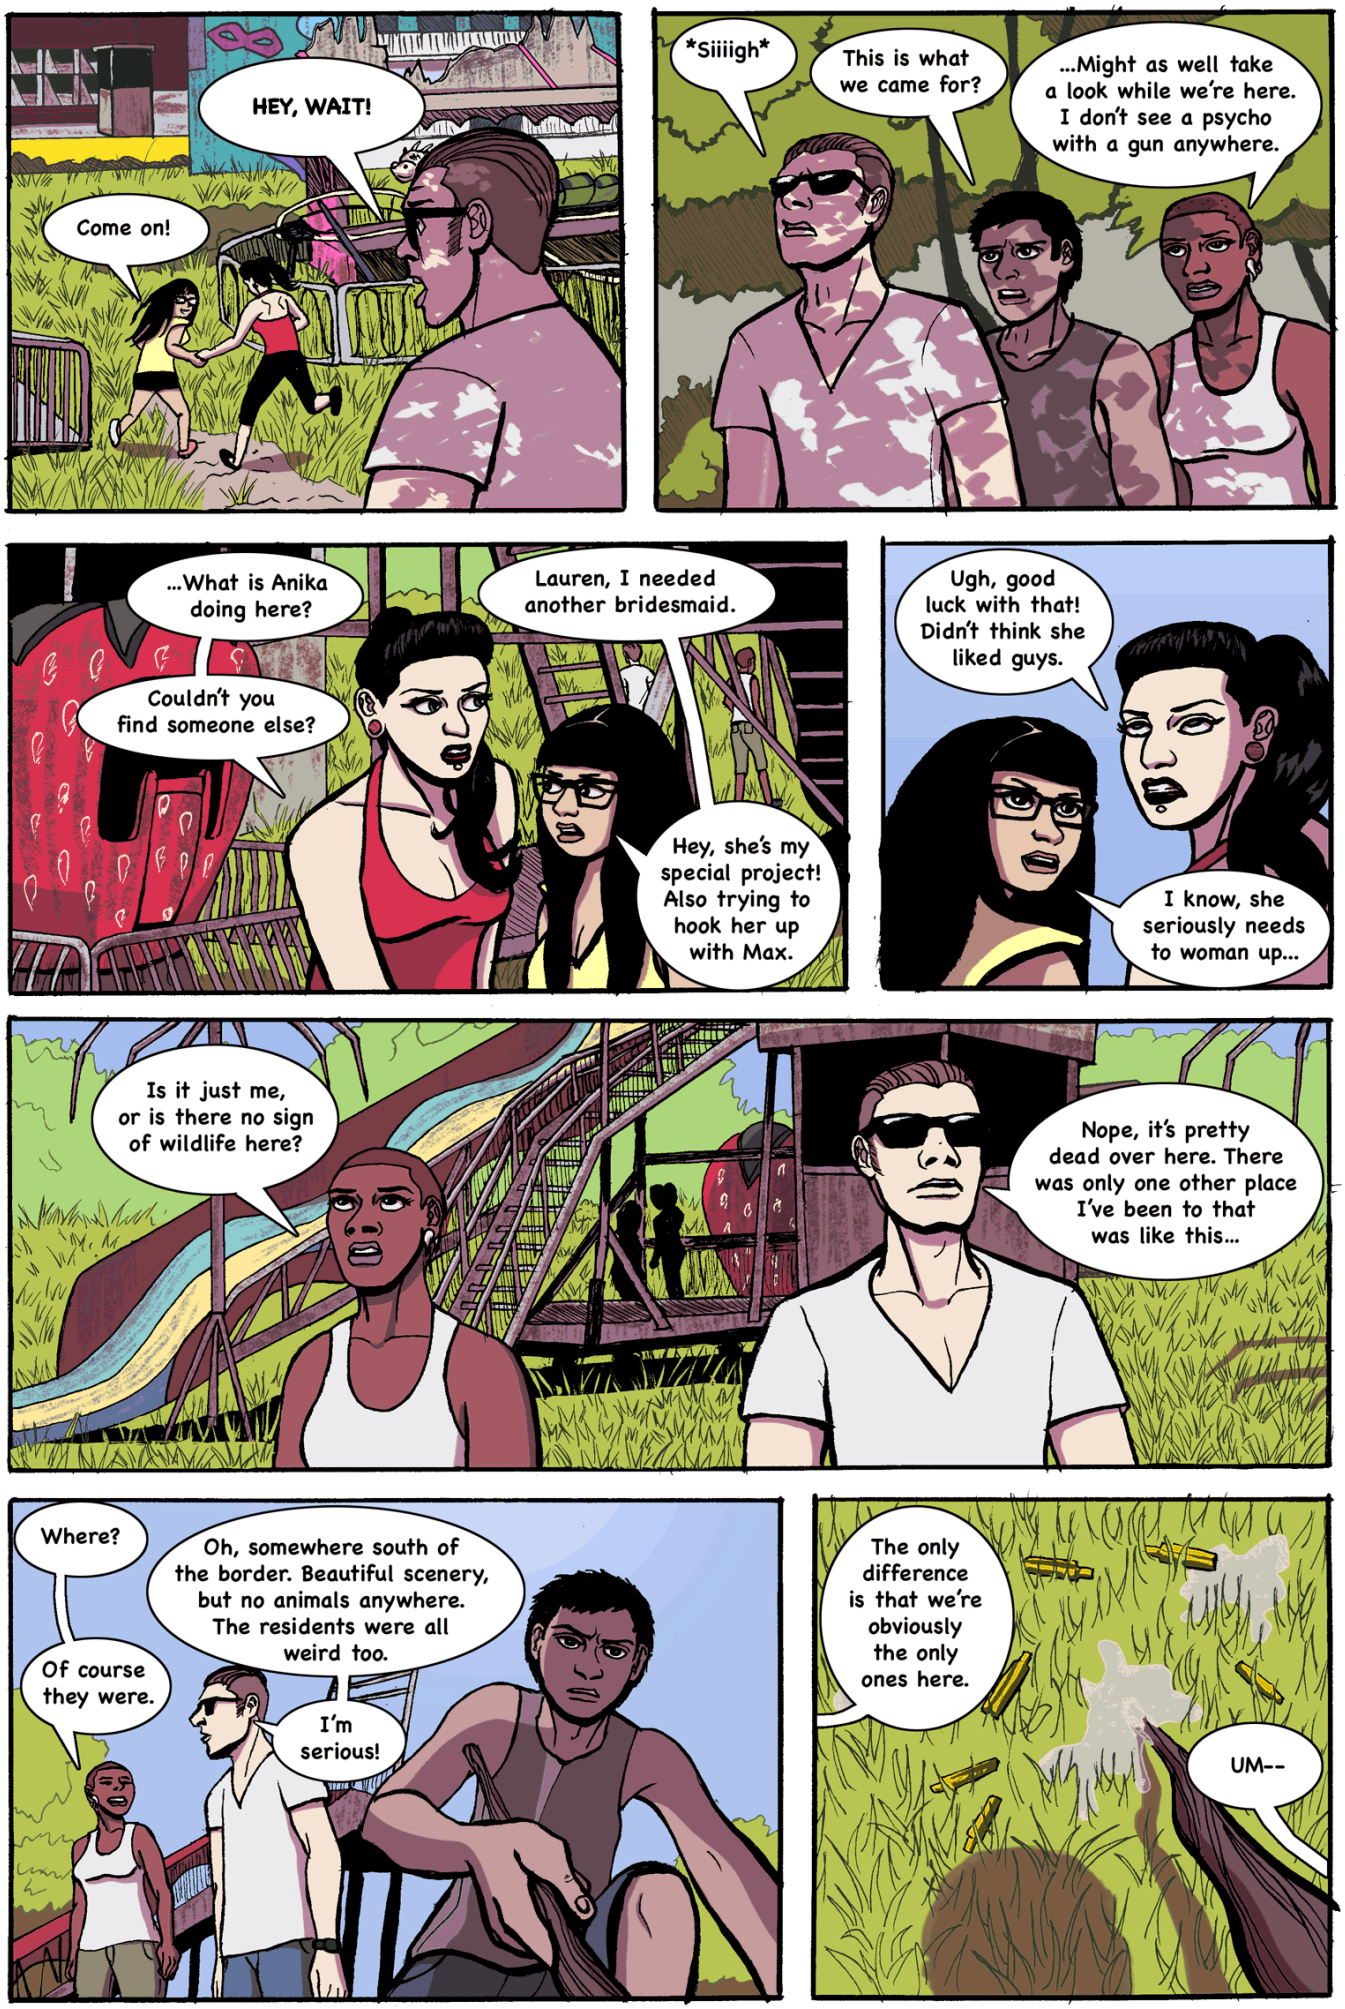
Check out that creepy fence.
"...Survivors will be shot again"... Pfft! Really?

Do rednecks live here or something? What are you--
Marcie?

...Hon!?
Just...taking a quick look!

I wouldn't challenge that sign girl!
Yeah, Anika has a good point there! MARCIE!?
PRIVATE PROPERTY NO TRESPASSING
VIOLATORS WHO BE SHOT SURVIVORS WILL BE SHOT AGAIN!
I wanna see the rednecks!
OH COME ON!...
THIS IS THE STUFF FROM HORROR MOVIES! STUPID PEOPLE DOING STUPID THINGS!
NO!
Are you calling me stupid!?
What's happening?
Why's everyone back here—oh.
Hm, this place is pretty boring so far... Lots of trees!
That's great, you can come back now! Hello!?
Marcie!
Sean, look at this!
I don't really want to.
PRIVATE PROPERTY NO TRESPASSING
VIOLATORS WHO BE SHOT SURVIVORS WILL BE SHOT AGAIN!
GET OVER HERE!
All right, I'm here!

EVERYONE! COME AND SEE THIS!
OW OW OW!
...Finally...
You coming?
I guess I am now.
MAX! ANIKA! GET YOUR ASSES OVER HERE!
Hm, where are the ghosts?
Yeeaaah, I'm not going down there.
Your loss.
What?
MARDI GRAS



HEY, WAIT!
Come on!
*Siiiigh*
This is what we came for?
...Might as well take a look while we're here. I don't see a psycho with a gun anywhere.
...What is Anika doing here?
Couldn't you find someone else?
Lauren, I needed another bridesmaid.
Hey, she's my special project! Also trying to hook her up with Max.
Ugh, good luck with that! Didn't think she liked guys.
I know, she seriously needs to woman up...
Is it just me, or is there no sign of wildlife here?
Nope, it's pretty dead over here. There was only one other place I've been to that was like this...
Where?
Oh, somewhere south of the border. Beautiful scenery, but no animals anywhere. The residents were all weird too.
Of course they were.
I'm serious!
The only difference is that we're obviously the only ones here.
UM--

We should probably leave--
I wonder why this place is so far from the road?

Maybe it wasn't at one point. Didn't you notice the path we walked on?
I dunno.
Well, yeah, but why keep it hidden?
...Hello!? SHELL CASINGS here!

Maybe this park—
Let's get out of here! I found some—
Ssh!—is a coverup for something!
Maybe.

Yeah, we should leave this place RIGHT NOW—
Sean?
Babe?

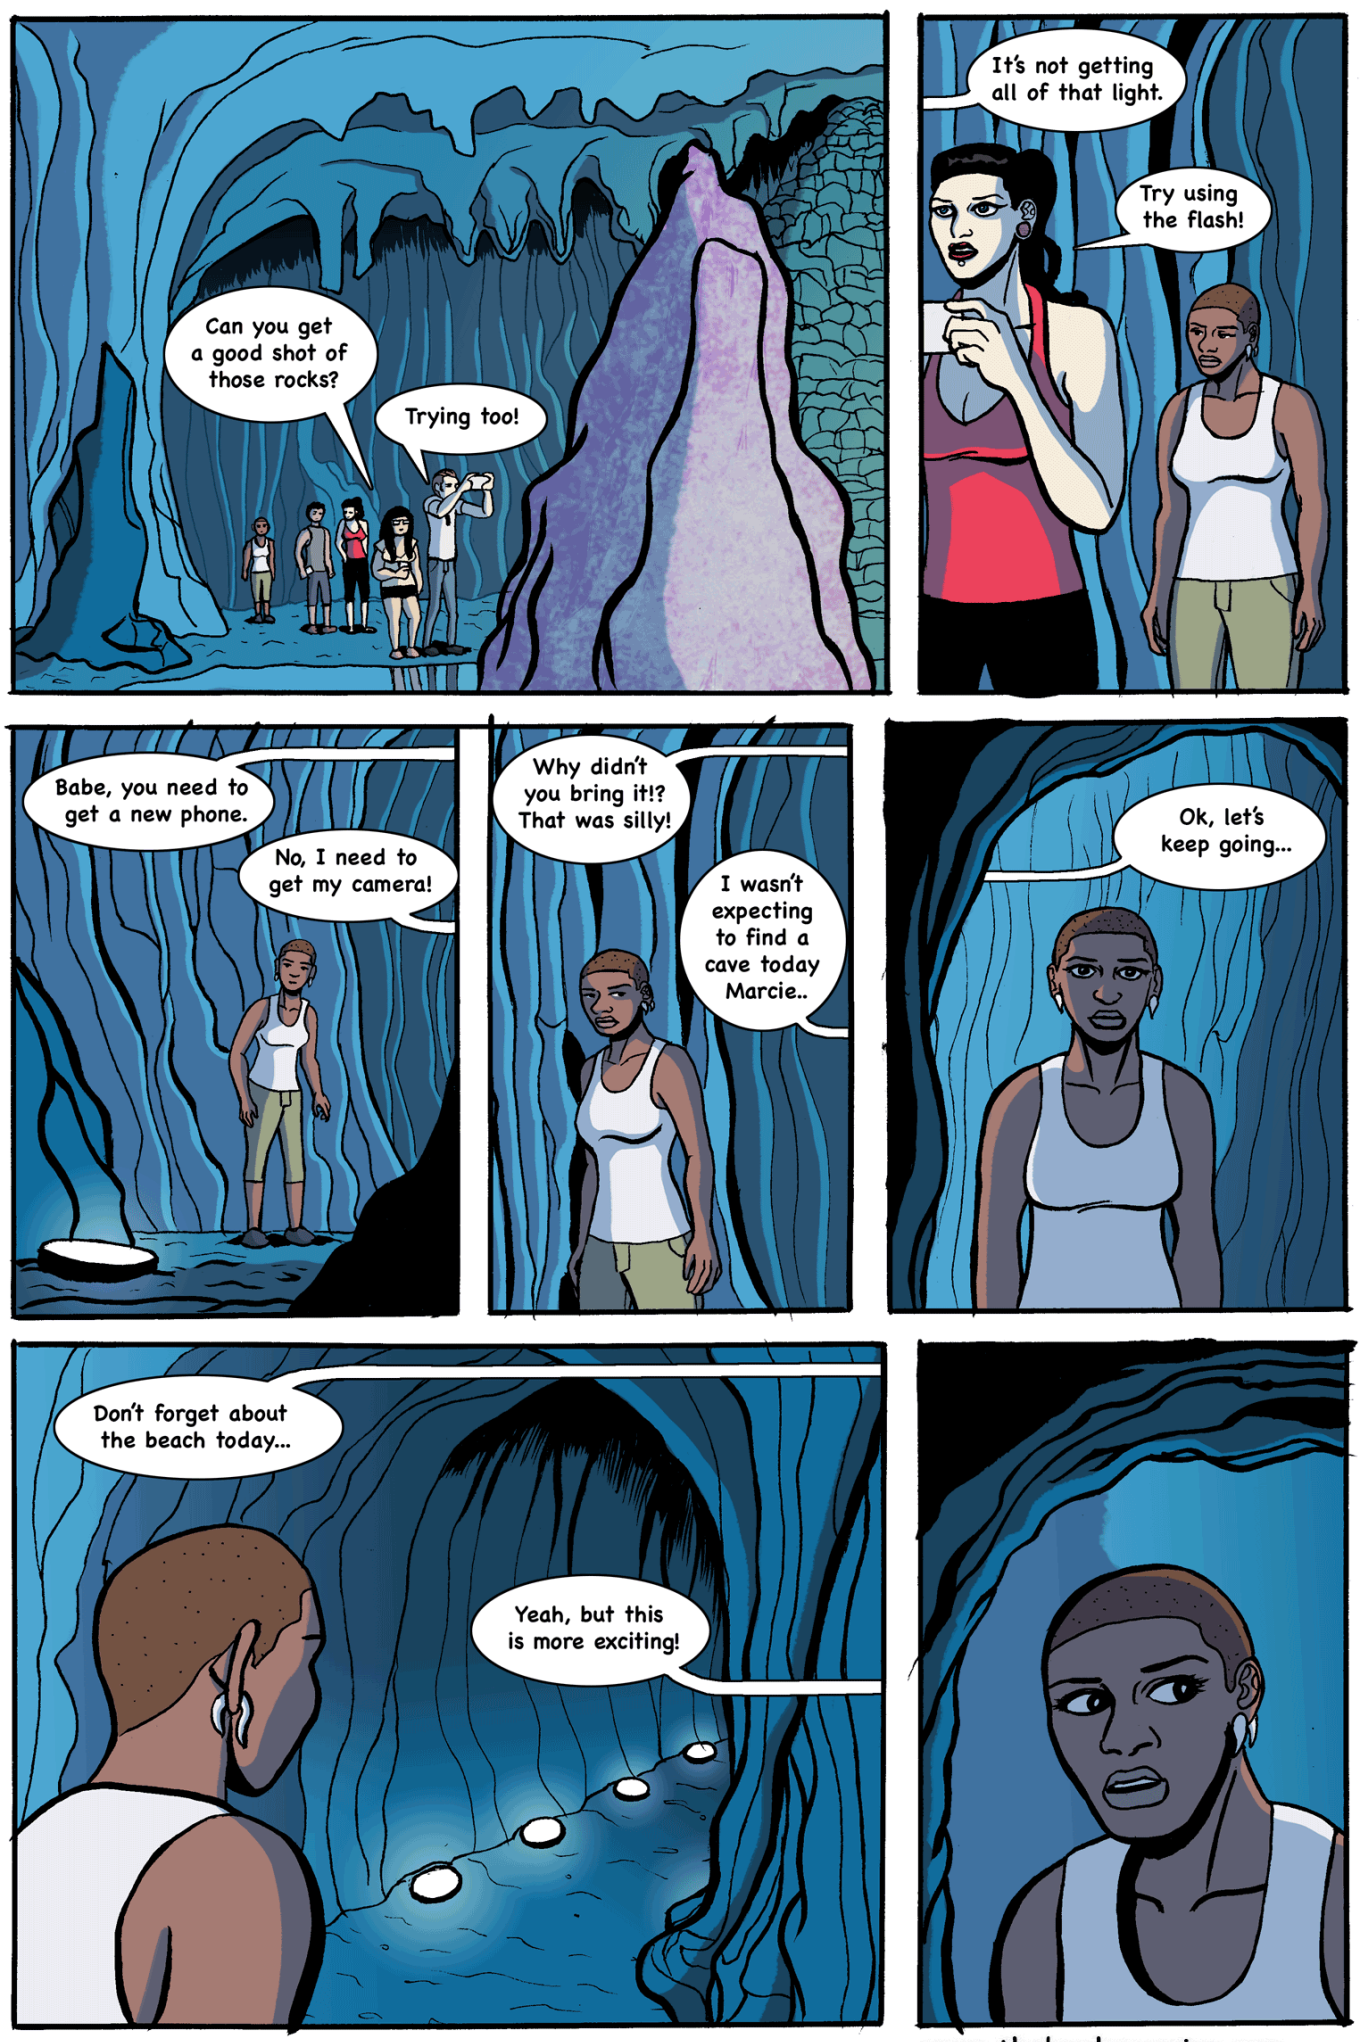
Hello?

Hey, on the ground over there--Sean?
What are you doing?

"Just taking a quick look!"
Oh, come on!
My turn to recklessly explore uncharted territory!
Whatever, just don't do something stupid and die.
Not planning on it!
...Holy crap, this place is AMAZING! Quick, climb down!
Is it safe?
YES! HURRY!!
...I told you it was an easy climb down!
There is more light down here!
Seeeaaan, I can't see you!
Yeah, some light would be nice!
WHERE!? Oh— I see it now!...

Whoa!
Huh, you weren't kidding.
I know. You're welcome.
Those rocks... what kind of gems are those?
Let's go over there Max!
What-?
Hold on!

Max, why don't you wait for Anika?
What!?
Looks like she needs some help getting down!
But-
We'll meet you two at those pretty rocks!
Shut up Lauren!
This isn't going to work!
I'm good. Really. You didn't have to--
*Siiigh...*
Yeah, I know.
So, this was going to be a trip to the beach, right?
Oh! What did you find up there? You were yelling about something.
Oh that--
You really aren't into Anika, are you?
What-um, no, not really.
Come on!

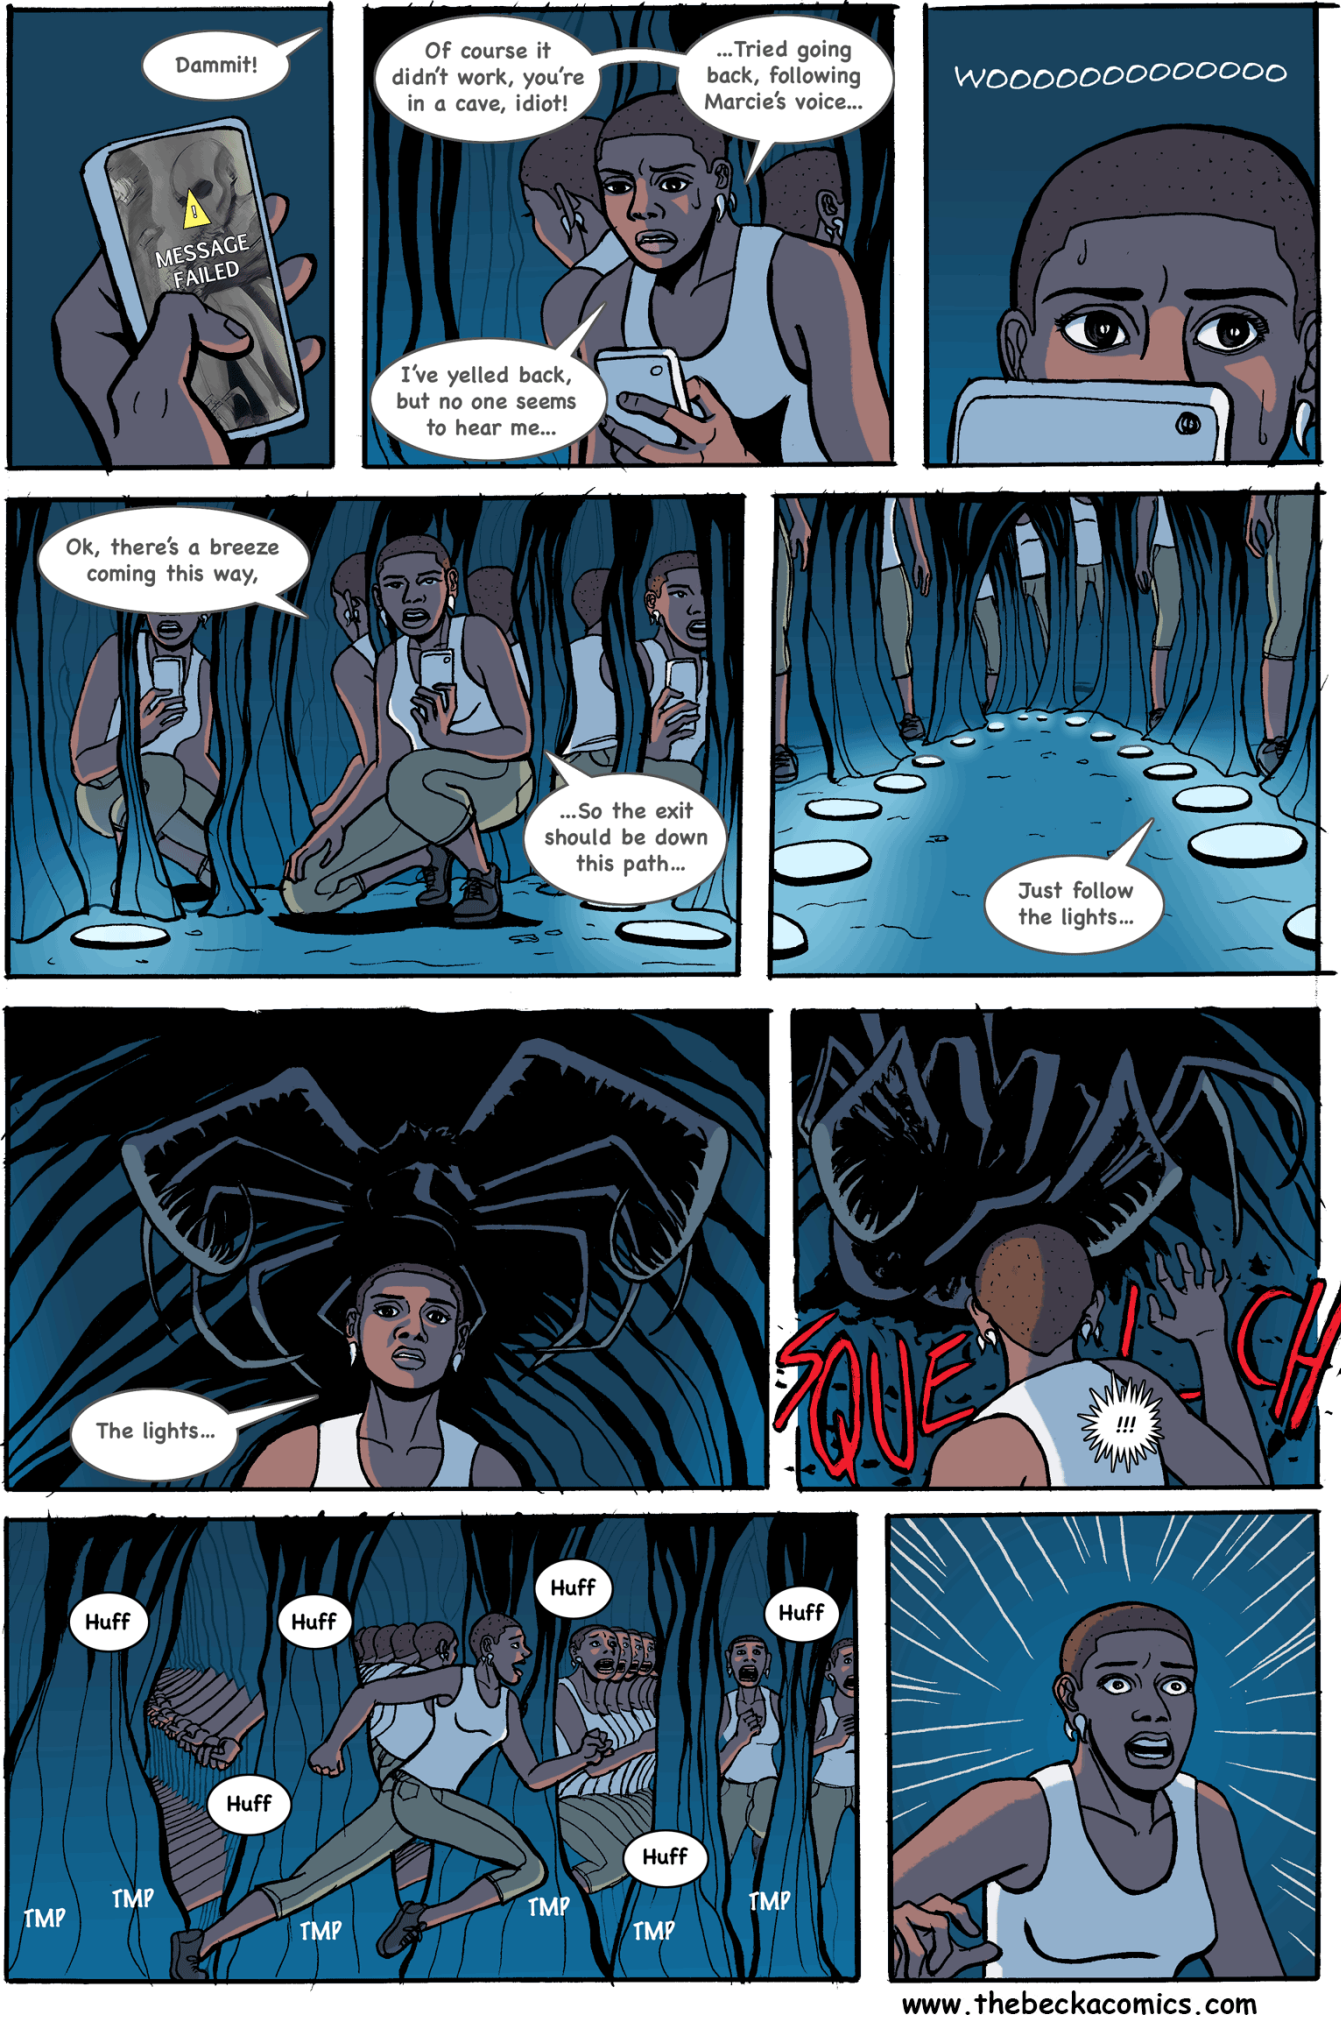


Can you get a good shot of those rocks?
Trying too!
It's not getting all of that light.
Try using the flash!
Babe, you need to get a new phone.
No, I need to get my camera!
Why didn't you bring it!? That was silly!
I wasn't expecting to find a cave today Marcie..
Ok, let's keep going...
Don't forget about the beach today...
Yeah, but this is more exciting!

We won't be long.
ANIKA!
Oops!
THE HELL!?
ANIKAAA!

WHERE ARE YOU!?
HELLOOO? CAN YOU HEAR ME!?
Maybe she got bored and went back to the surface.
Wait - did you hear that?
Hear what?
You sure?
That sounded like Anika! I'm sure she's alright.
Positive!
That girl has a bad habit of wandering off.
In a place like this, I don't blame her.
That's your favoutite colour, no?
Yeah... Beautiful.
Speaking of, we need to go ring shopping after all this!
Yeah, sure.
So what do you think of this place, Max?
*Mutter mutter*
Max?
Wow, you really don't talk that much!
Nope.
No!
Any reason why? Am I boring you? Are you shy talking to girls?
Oh, you're just boring then.
*siiiiigh*
ANIKAAAA!
*TSK*

...Where IS that girl!? You sure you heard her, babe?
Yes Marcie!
She can't be that far hon!
But why is she taking so damn long!?
I dunno! Call her again.
Well you could do it too!
Alright, alright!
ANIKAAA!



Dammit!
MESSAGE FAILED
Of course it didn't work, you're in a cave, idiot!
...Tried going back, following Marcie's voice...
I've yelled back, but no one seems to hear me...
WOOOOOOOOOOOOO
Ok, there's a breeze coming this way,
...So the exit should be down this path...
Just follow the lights...
