

GEHENNA: DEATH VALLEY

EPISODE 5

THE
BECKA
2018 C

KABOOM!

WE'VE GOT TO GO!

But the humans-!

FORGET ABOUT THEM, LANCHESTER! *ZZPT* WE HAVE ENOUGH DATA.

CHANEY, LISTEN to me! That creature had a DWELLER mask...

...HIS mask!

BORIS!?

No! It was-

POOF!

POOF!

I thought it would be harder to catch them

Apparently not.

This is ADMIN Leader B calling!

What's going on out there?

ADMIN
Leader A here,
the platform is
now clear.

ADMINS,
DESCEND!

ADMIN A,
One of my snipers
isn't responding, could
you dispatch a small
rescue party
for him?

What
are your
people
doing?

Um,
we've got
our hands full
with these
Dwellers...

Max?
Can you
hear me?

Yeah!
You ok?

I think...
How about
you?

I'm
alright.

Do you
have your
phone?

No.

Damn!

ADMIN
Leader B,
we've found
your sniper.

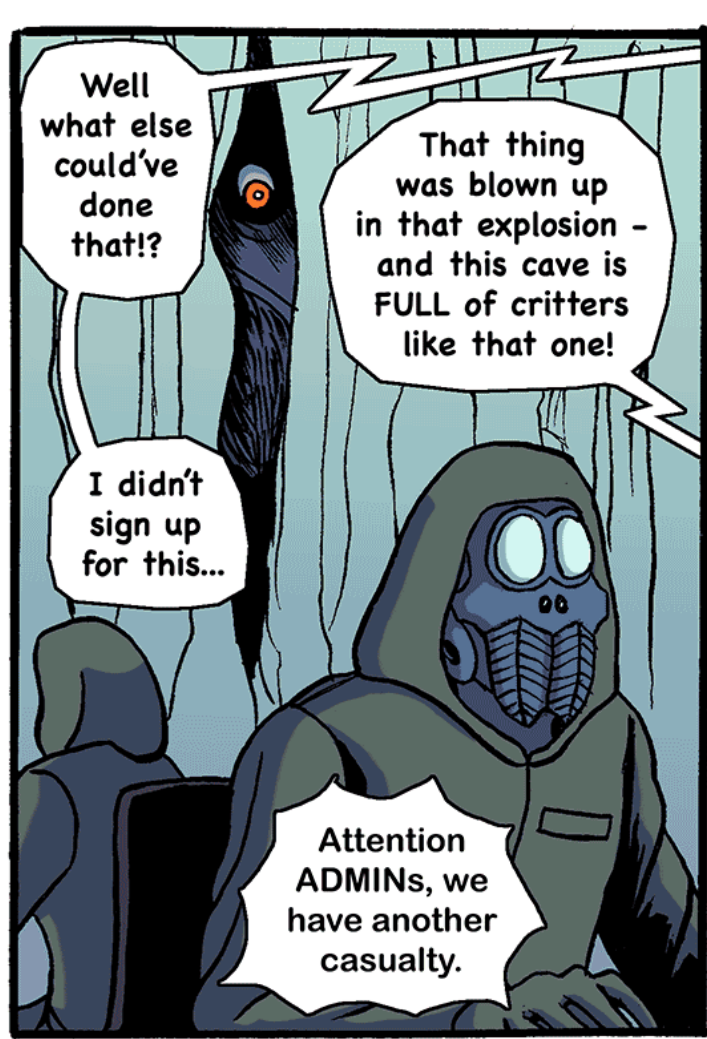

He won't be coming back.

No shit! That monster is still out there!

You sure about that?

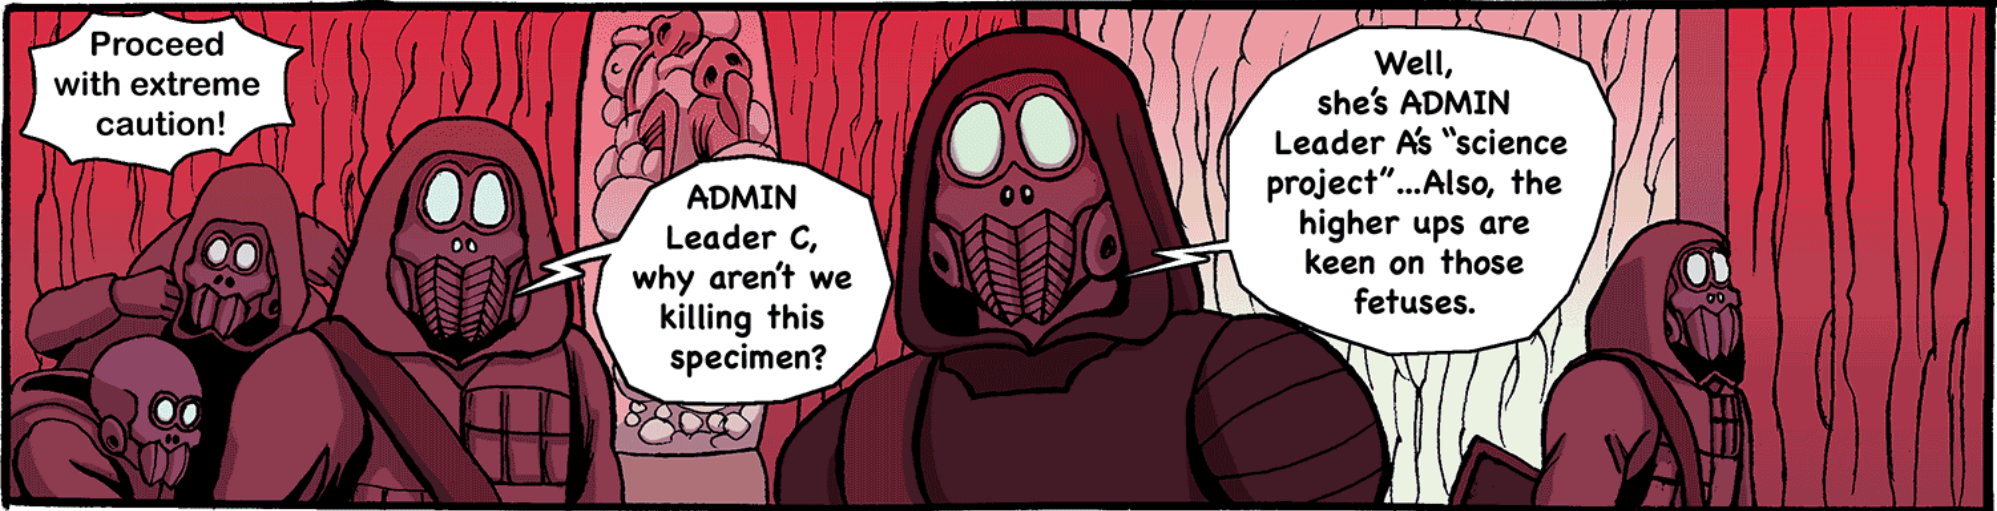

Well what else could've done that!?

That thing was blown up in that explosion - and this cave is FULL of critters like that one!

I didn't sign up for this...

Attention ADMINs, we have another casualty.

Proceed with extreme caution!

ADMIN Leader C, why aren't we killing this specimen?

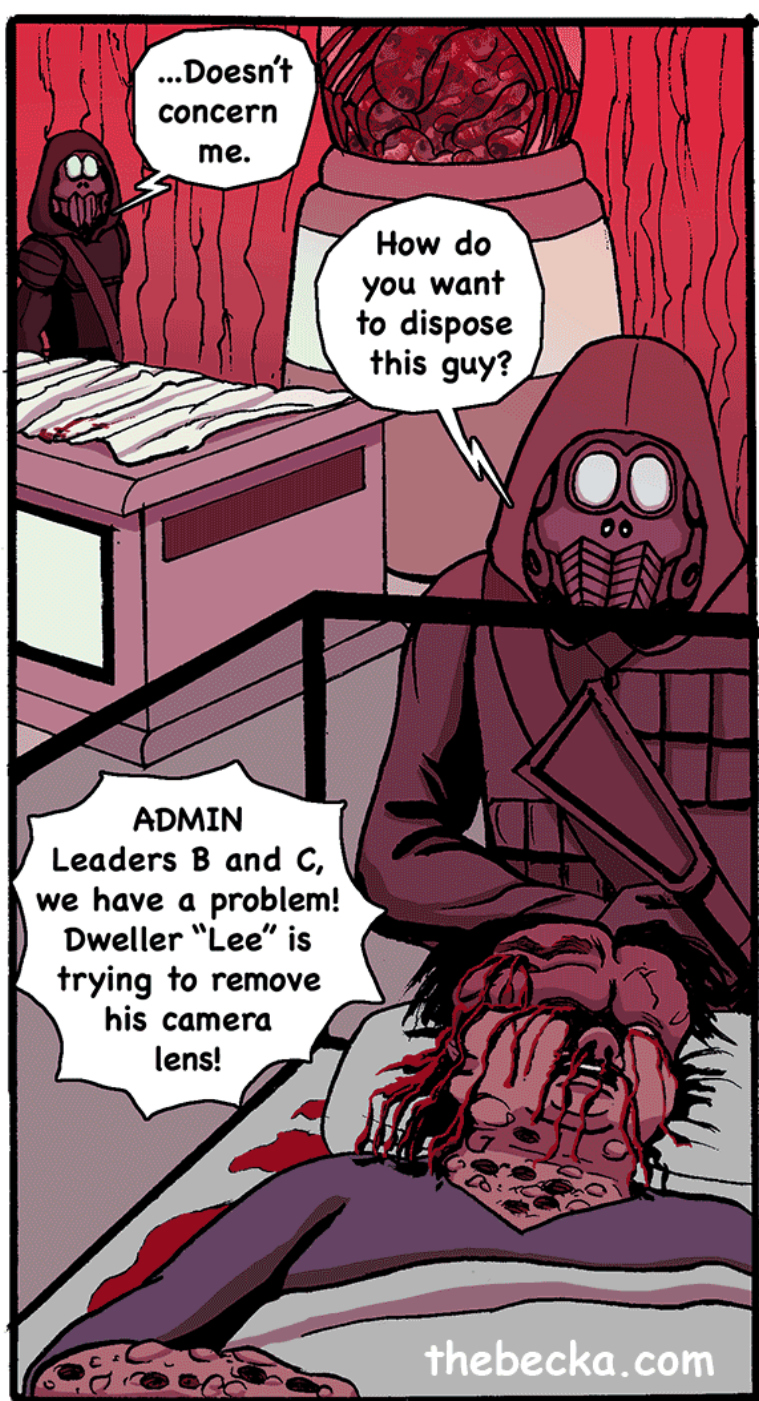

Well, she's ADMIN Leader A's "science project"... Also, the higher ups are keen on those fetuses.

They're hoping that these hybrids will be the next step in human evolution.

Why do they want a humanoid-bug species?

Sigh... Honestly, I have no idea. I also don't really care.

...Doesn't concern me.

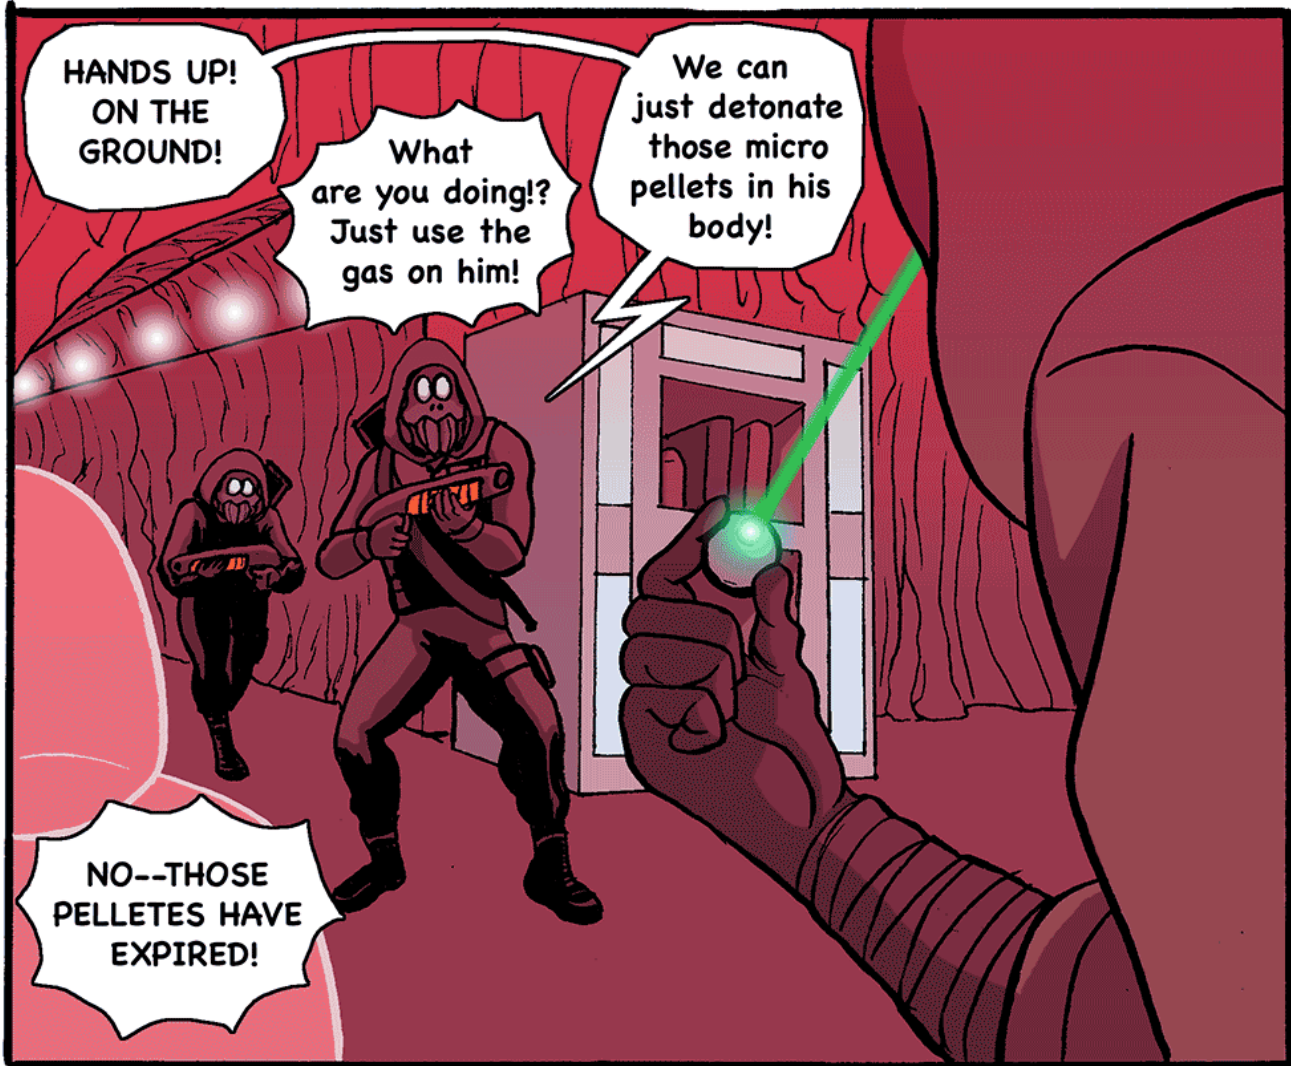

How do you want to dispose this guy?

ADMIN Leaders B and C, we have a problem! Dweller "Lee" is trying to remove his camera lens!

Someone please tell me that we have the last Dweller!

Found him!

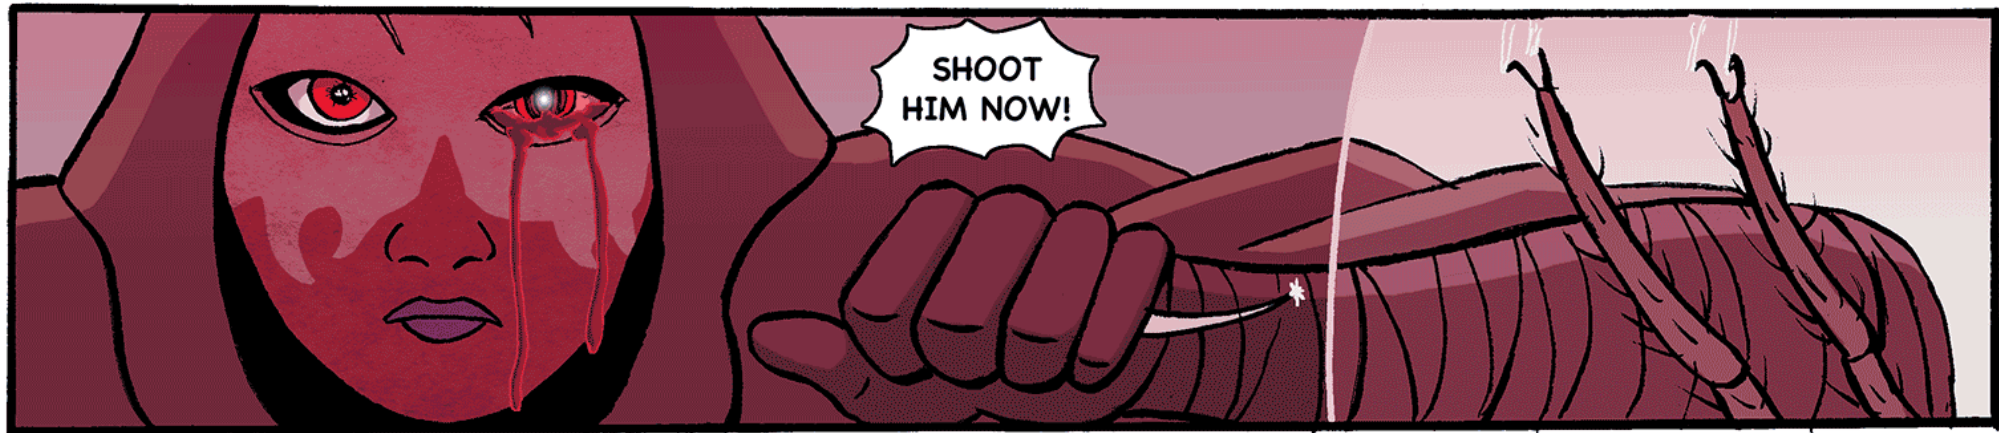

HANDS UP! ON THE GROUND!

What are you doing? Just use the gas on him!

We can just detonate those micro pellets in his body!

NO--THOSE PELLETES HAVE EXPIRED!

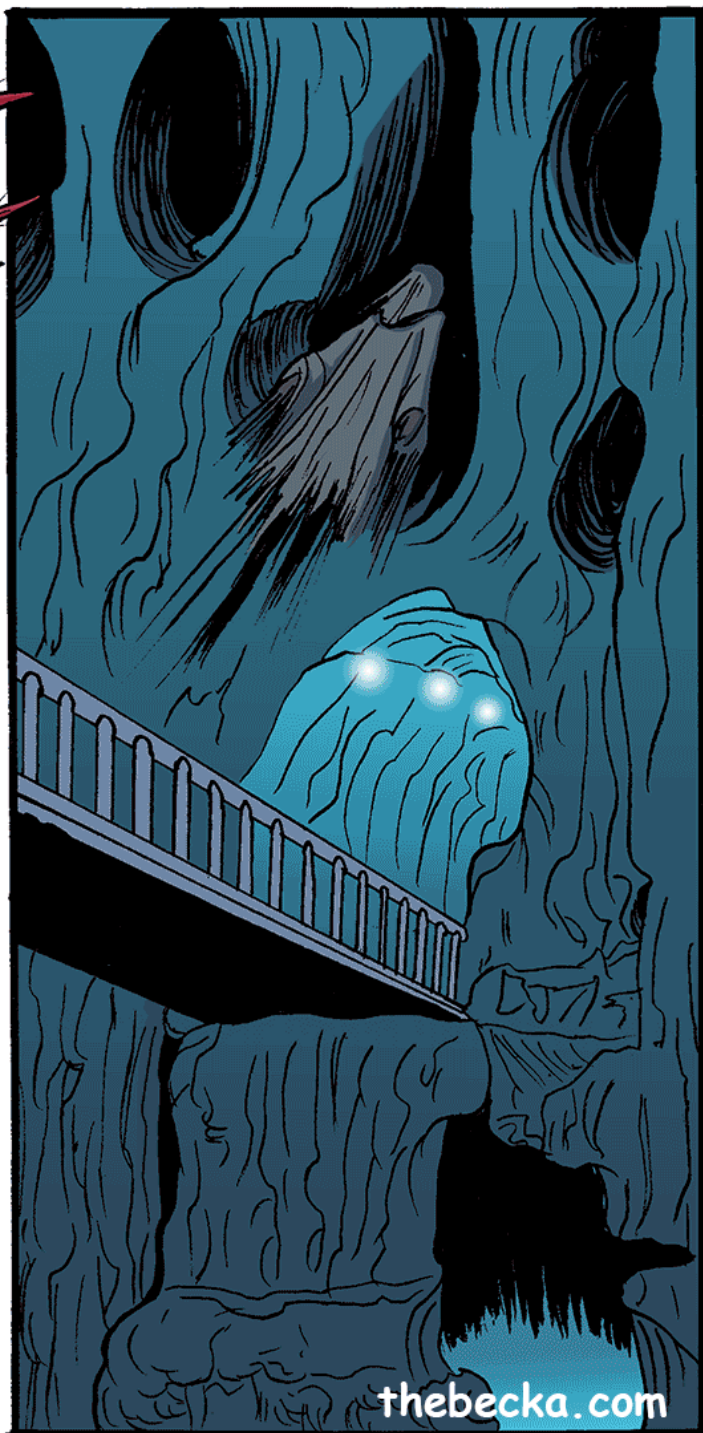

SHOOT HIM NOW!

KER-KRASH

KLATTA KLATTA

WHAM

Dammit! Half of his screen is gone!

Did that freak burn out his eye!?

URK!

Well what did it look like to you?!

Aren't the Dwellers suppose to have bombs in them!?

You mean the micro pellets?

They've expired.

Whoever was in charge back in the day bought cheap knockoffs.

Shit!

So what now?

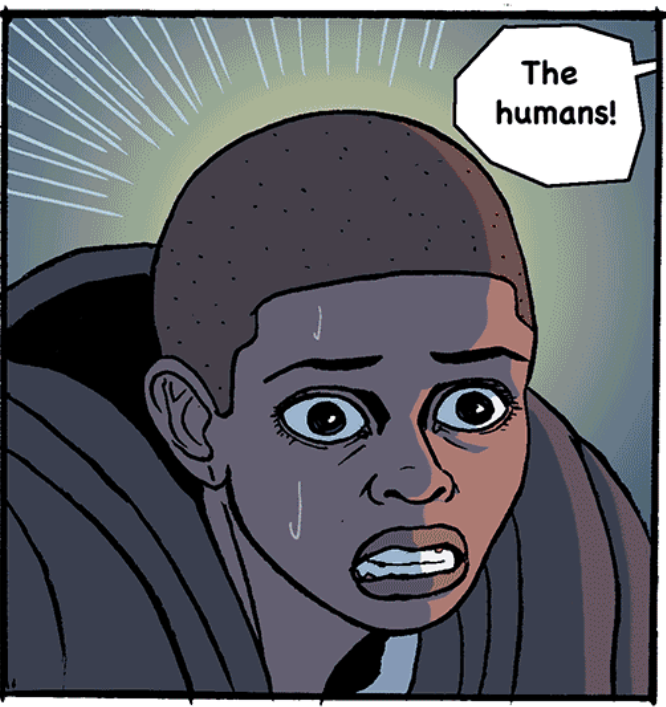

Wait for the ADMIN teams to capture him, and hope that the camera doesn't die.

He might burn out his other eye!

He would've done it already.

I think his other senses aren't as strong as the other Dwellers'...

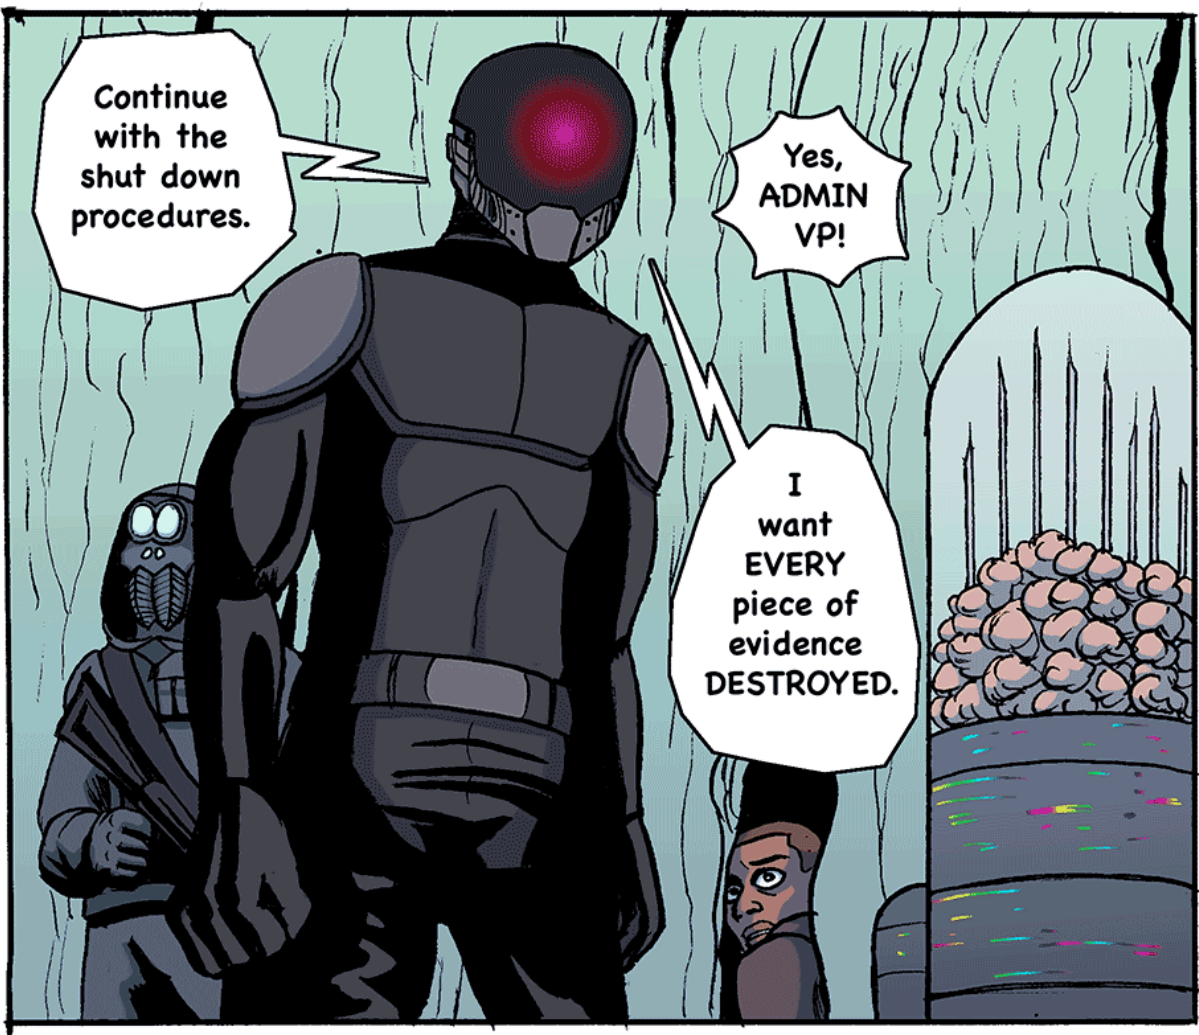

The humans!

...Are they dead?

Here's the footage!... Looks like the Sniper got 'em.

Excellent.

Continue with the shut down procedures.

Yes, ADMIN VP!

I want EVERY piece of evidence DESTROYED.

Everything else is moving on schedule!

...Marcie?

...Are you ok?

Oh, #@^&!

Even he's here!

Huff.

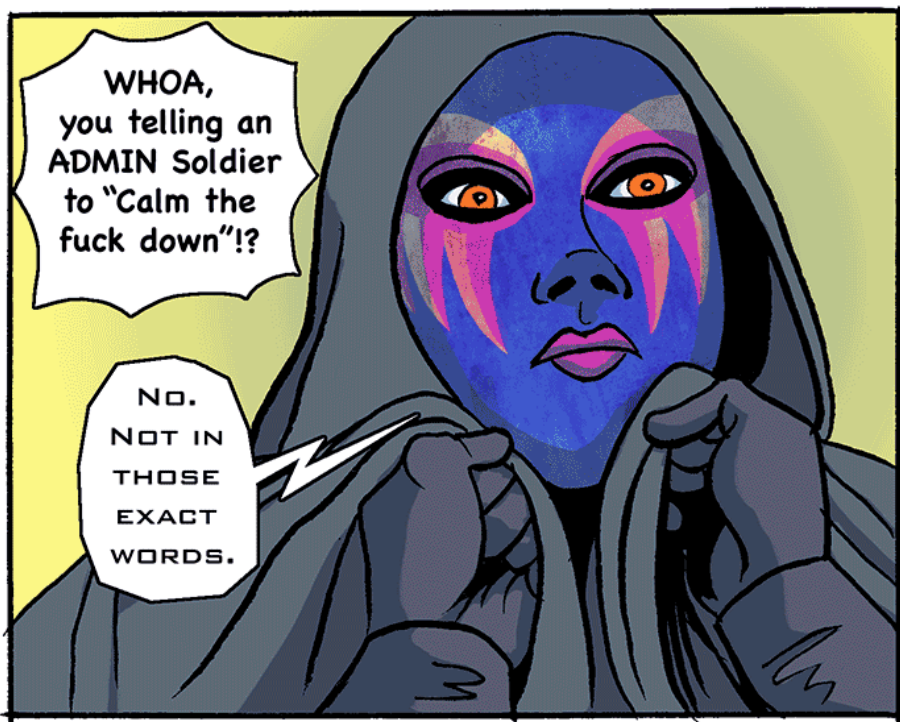

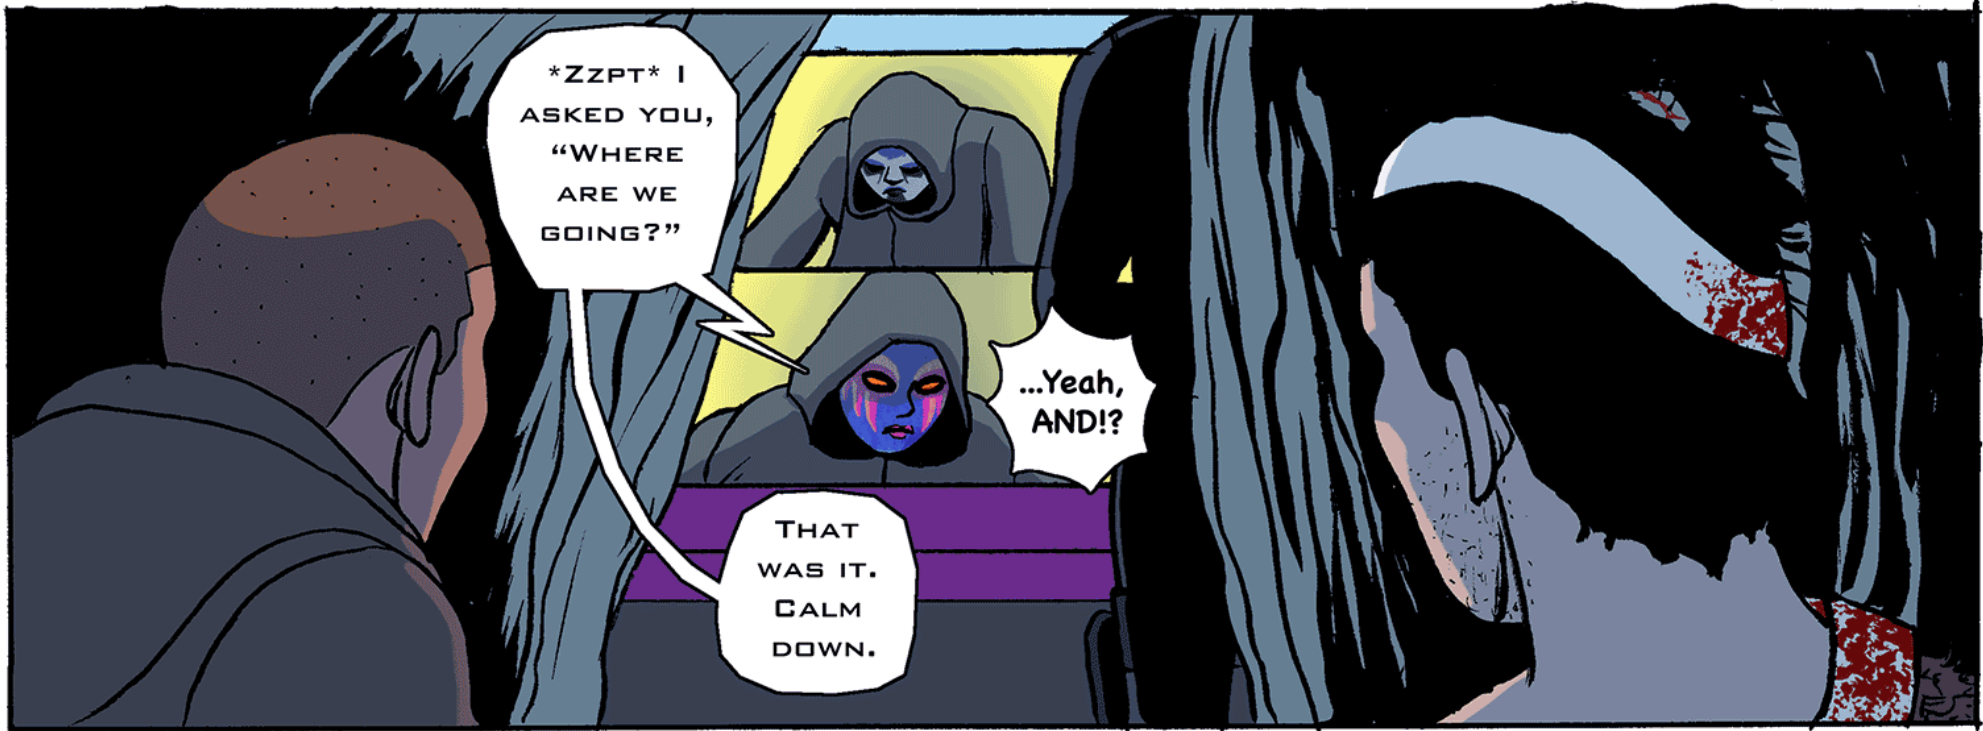

Huff.

Huff.

Hurry! Before it-!

Ah--!

!?

Why are you both just sitting there!?

Sorry!

Hurry up!

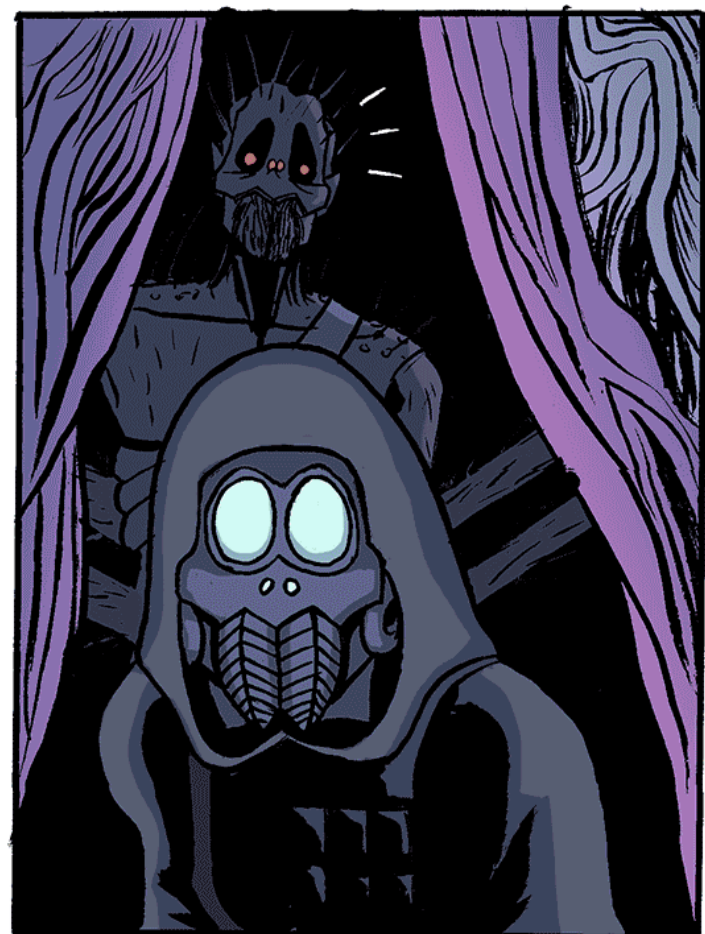

There's a tunnel back here...

TAP TAP TAP

Someone's coming!

Are you sure this way is safe?

People, the whole @\$%*#! cave isn't safe!

Aaugh! What died in here!?

Where are we going?

To the car, where else?

The car!? Marcie, do you even know where we are?

Yes....

...I found a map!

Oh... So, where are we?

Where it says, "You are here".

See the tunnel nearby?

What about the car?

"Old park". That park we walked by on the surface?

Hold up, look at "Loading dock" 1...

It's so close!

You're right!

So, why aren't we going that way?

Did you not see the creepy army people!?

Hey, at LEAST we can steal some food and water-!

Listen, that car is the last...

The last...

Sob ...last thing I have left from Sean! Please...

Alright...

Sean's car, it is.

URK!

RIMP

CRUNCH

...The hell!? That's two guys dead now!

Three, actually... And the civilians are STILL alive!

Sir? What do we do?

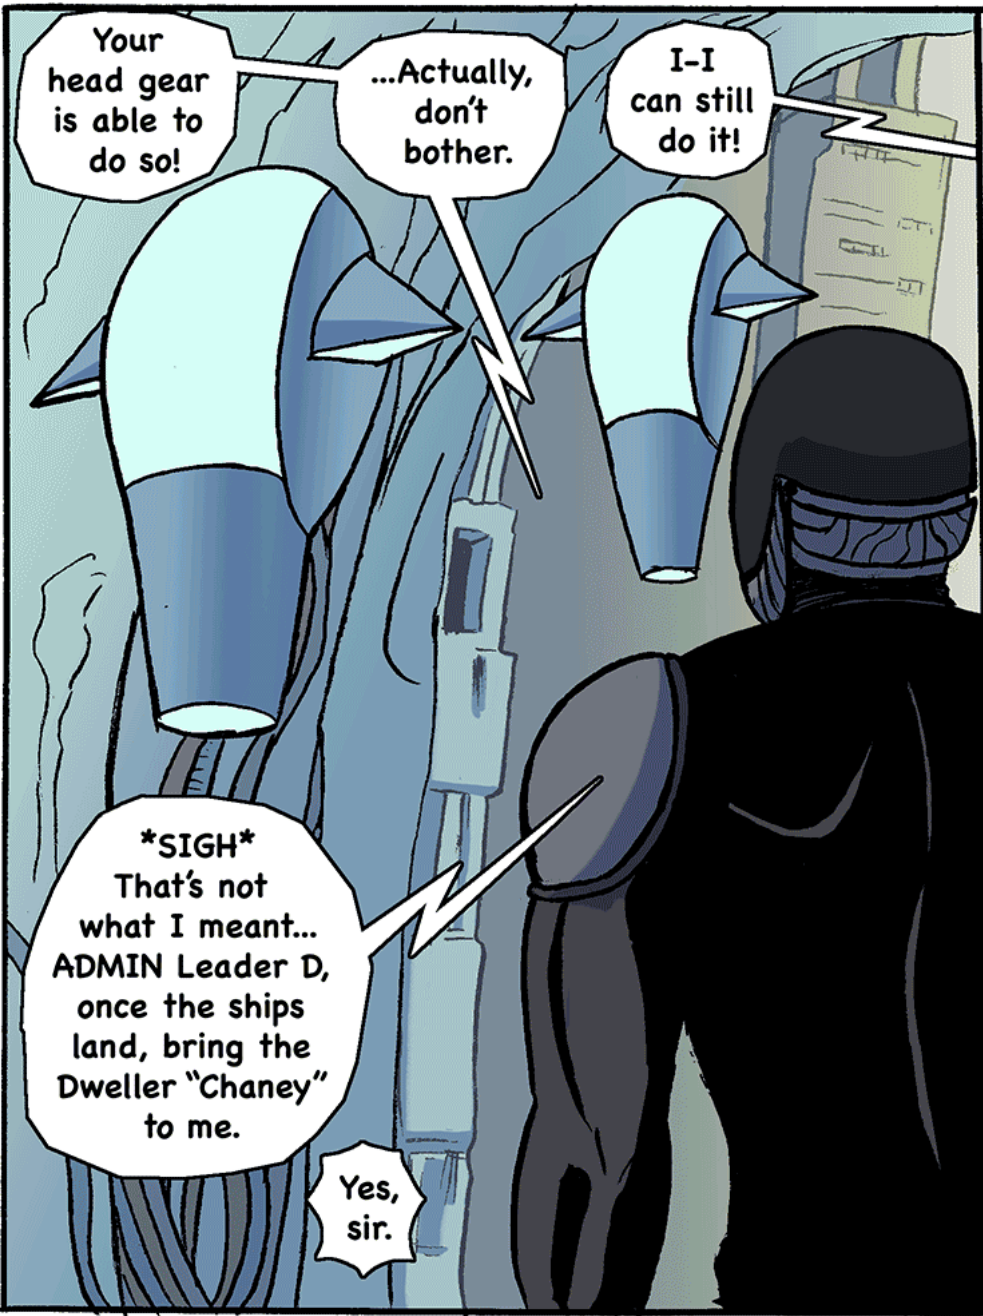

Nothing.

They're obviously not going to survive in that tunnel.

One of them had a phone-

Then hack it!

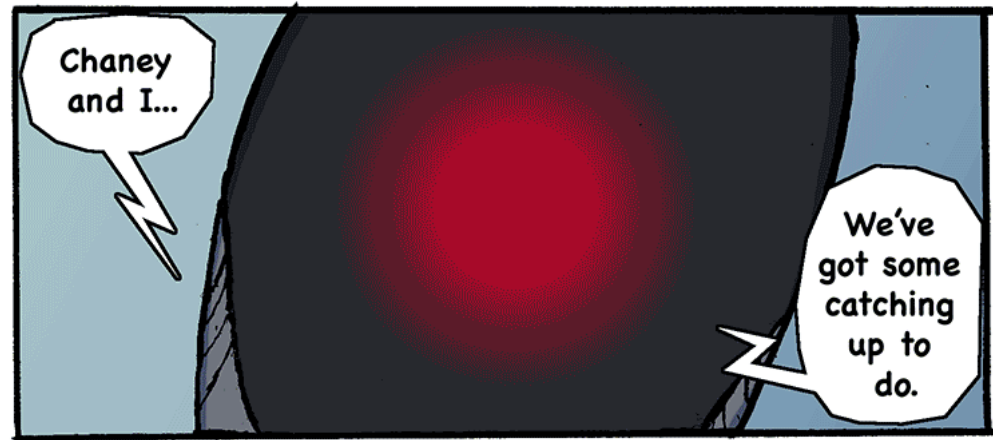

Your head gear is able to do so!

...Actually, don't bother.

I-I can still do it!

SIGH
That's not what I meant... ADMIN Leader D, once the ships land, bring the Dweller "Chaney" to me.

Yes, sir.

Chaney and I...

We've got some catching up to do.

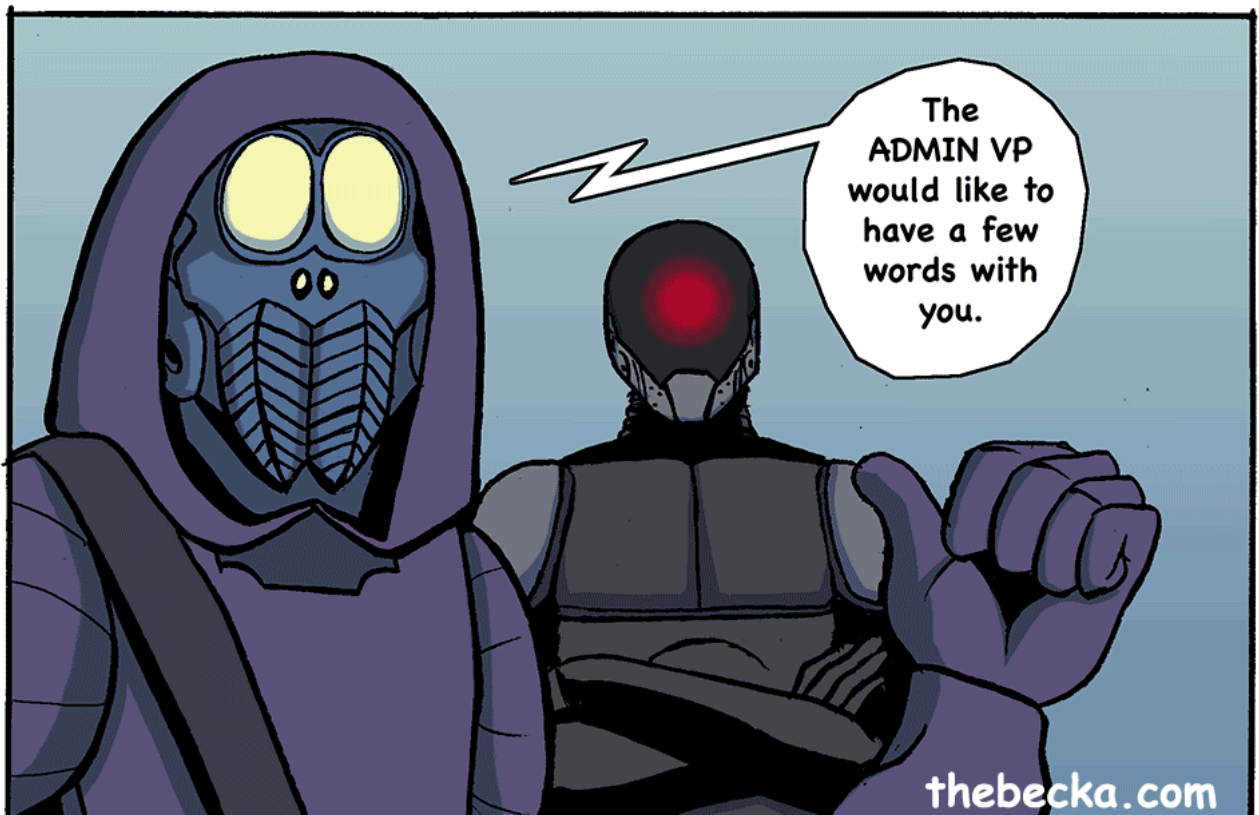

WUMP

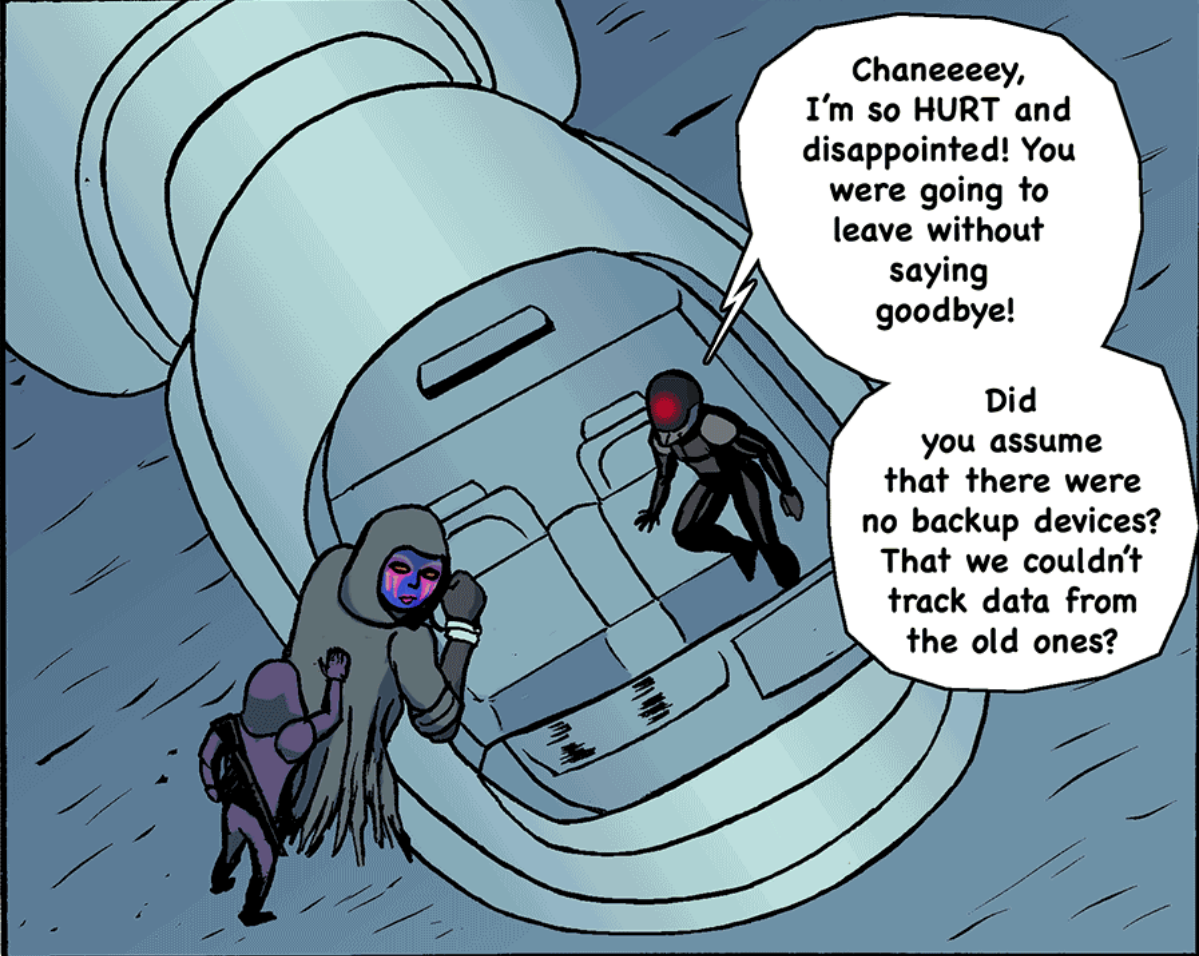

GET UP!

COUGH
COUGH

The ADMIN VP would like to have a few words with you.

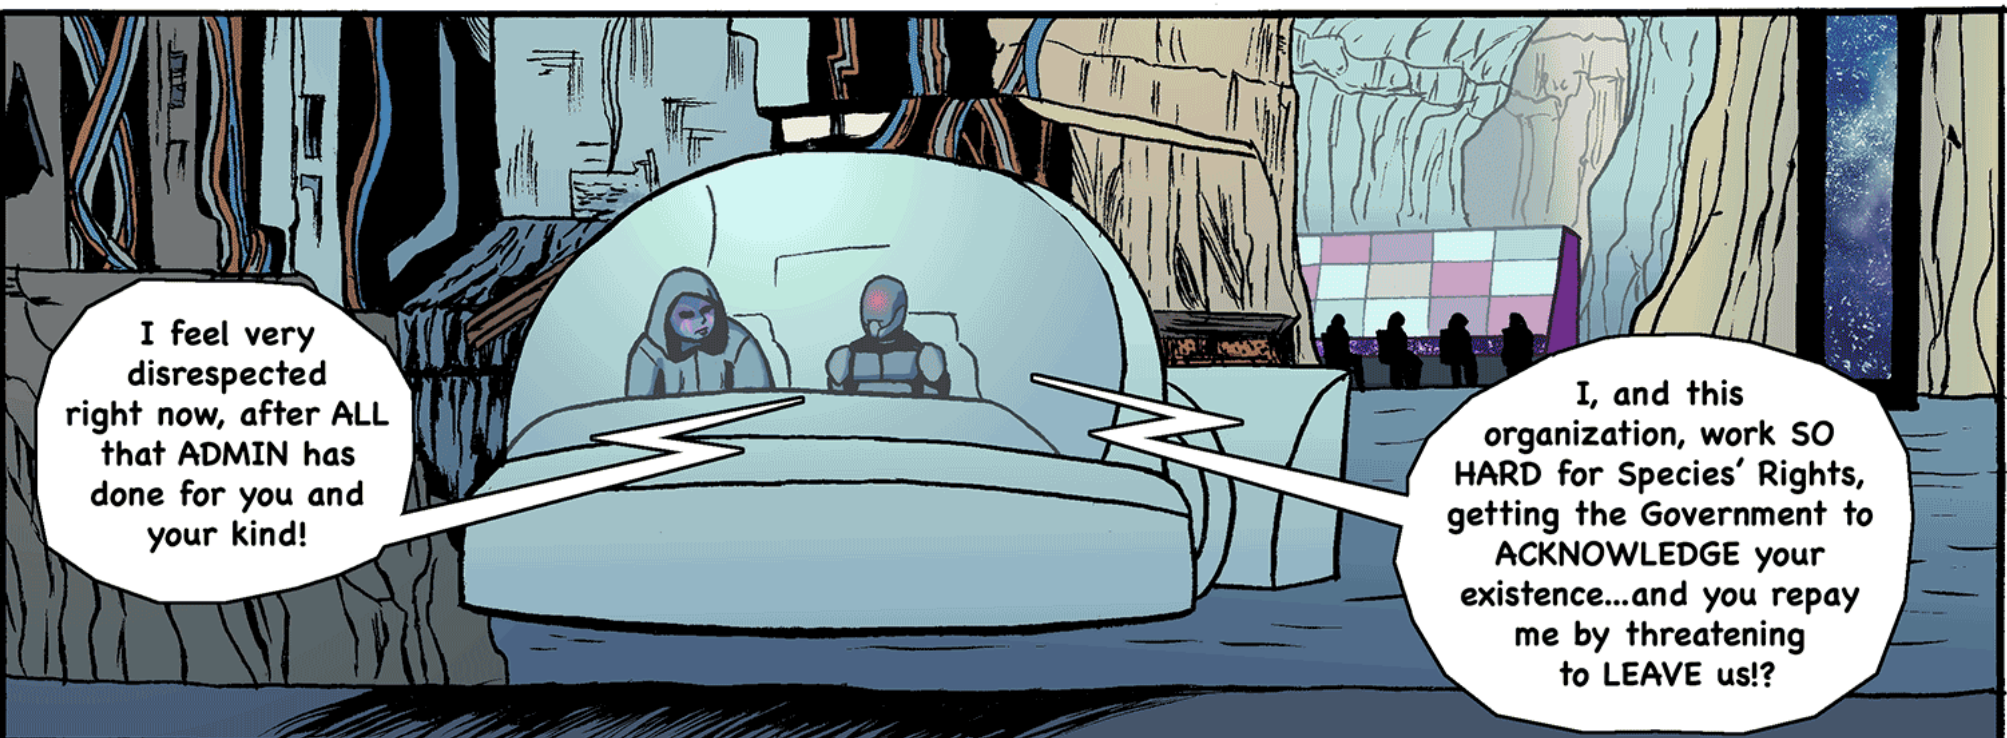

Chaneeeeeey,
I'm so HURT and
disappointed! You
were going to
leave without
saying
goodbye!

Did
you assume
that there were
no backup devices?
That we couldn't
track data from
the old ones?

You can't
hide anything
from me, I know
EVERYTHING!

ZZPT
THEN
WHY-?

I feel very
disrespected
right now, after ALL
that ADMIN has
done for you and
your kind!

I, and this
organization, work SO
HARD for Species' Rights,
getting the Government to
ACKNOWLEDGE your
existence...and you repay
me by threatening
to LEAVE us!?

Also,
we have TWO
more fatalities, thanks
to your incompetence!
Do you want your kind
to be seen as
MURDERERS!?

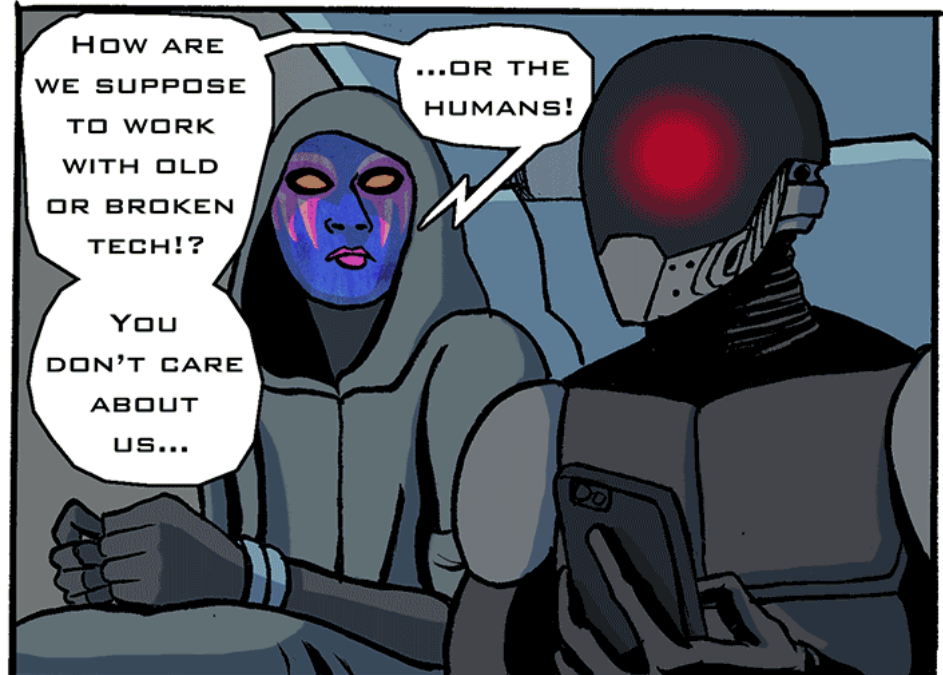

LISTEN-
ZZPT
THERE'S ONLY
THREE OF US
LEFT!

Why
didn't you
ask for my
help!?

...I don't
like your
tone,
Chaney.

WE SENT
MULTIPLE
REQUESTS FOR HELP!
DON'T YOU KNOW
"EVERYTHING"!?

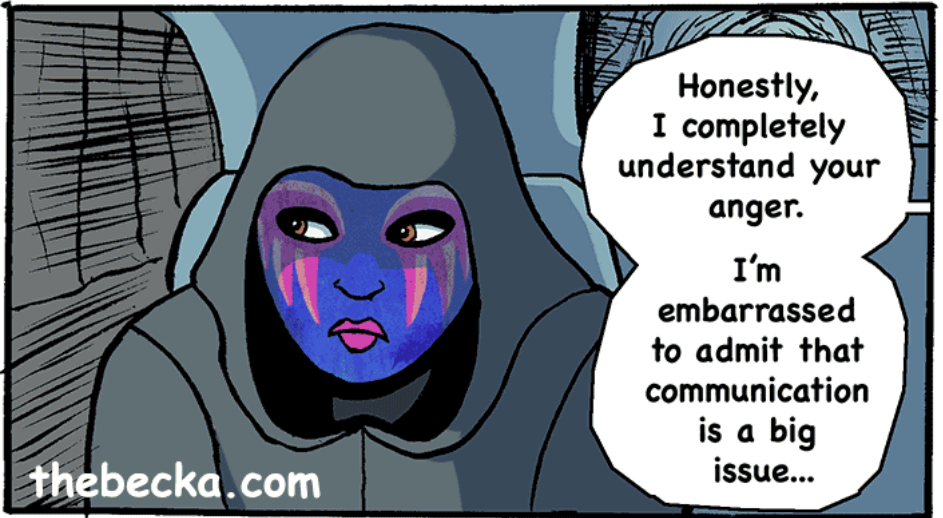

DO YOU KNOW
HOW MANY OF US
HAVE DIED HERE!?!
THESE AREN'T
SAFE LIVING
CONDITIONS!

HOW ARE
WE SUPPOSE
TO WORK
WITH OLD
OR BROKEN
TECH!?

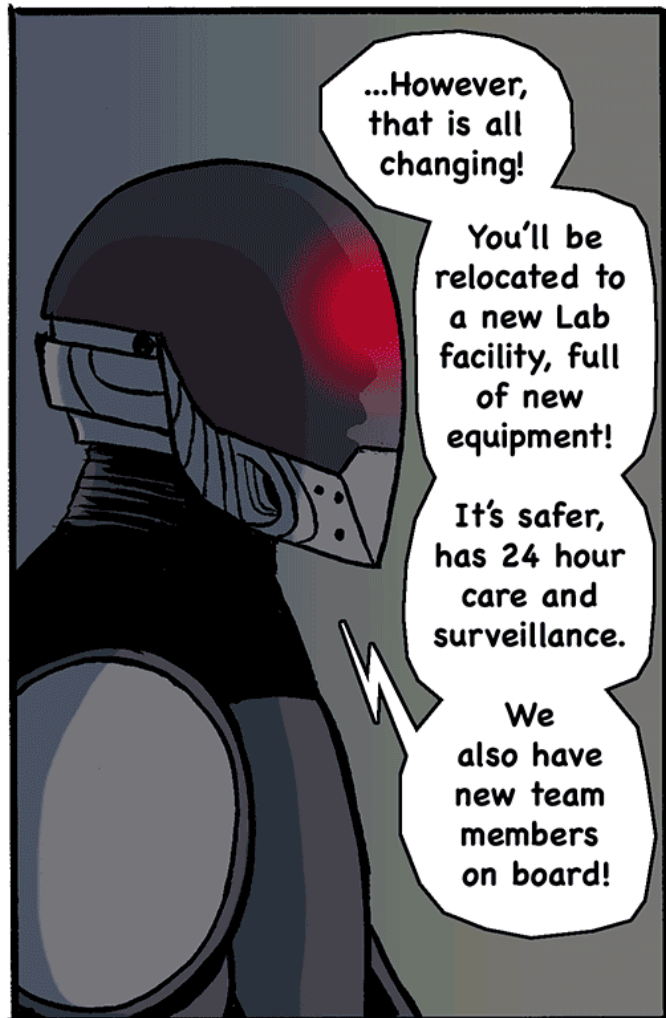

YOU
DON'T CARE
ABOUT
US...

...OR THE
HUMANS!

Honestly,
I completely
understand your
anger.

I'm
embarrassed
to admit that
communication
is a big
issue...

...However, that is all changing!

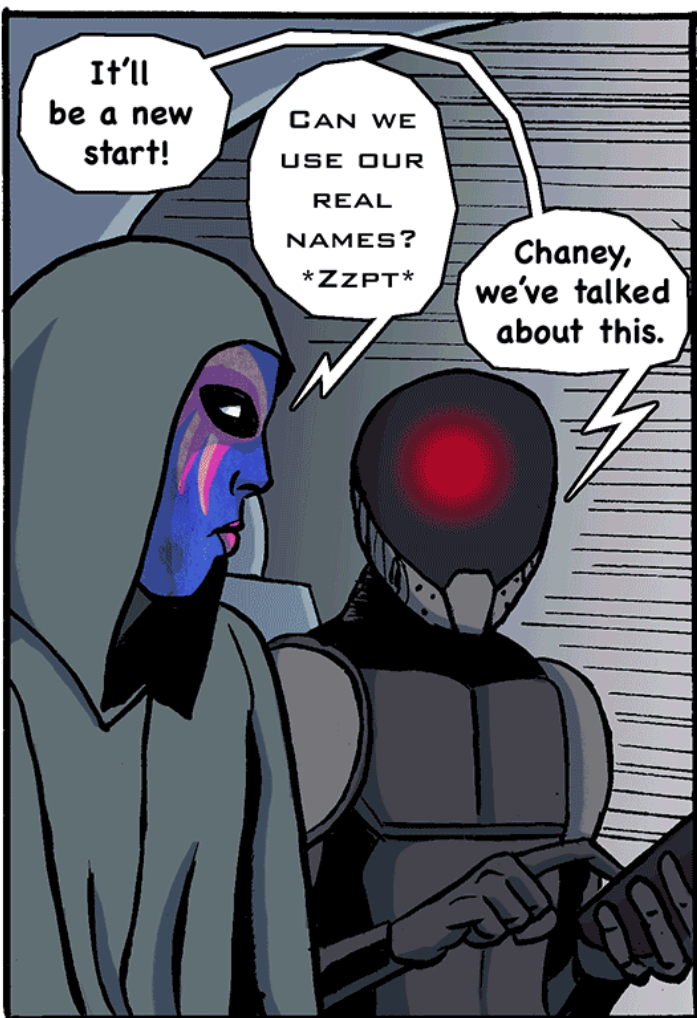

You'll be relocated to a new Lab facility, full of new equipment!

It's safer, has 24 hour care and surveillance.

We also have new team members on board!

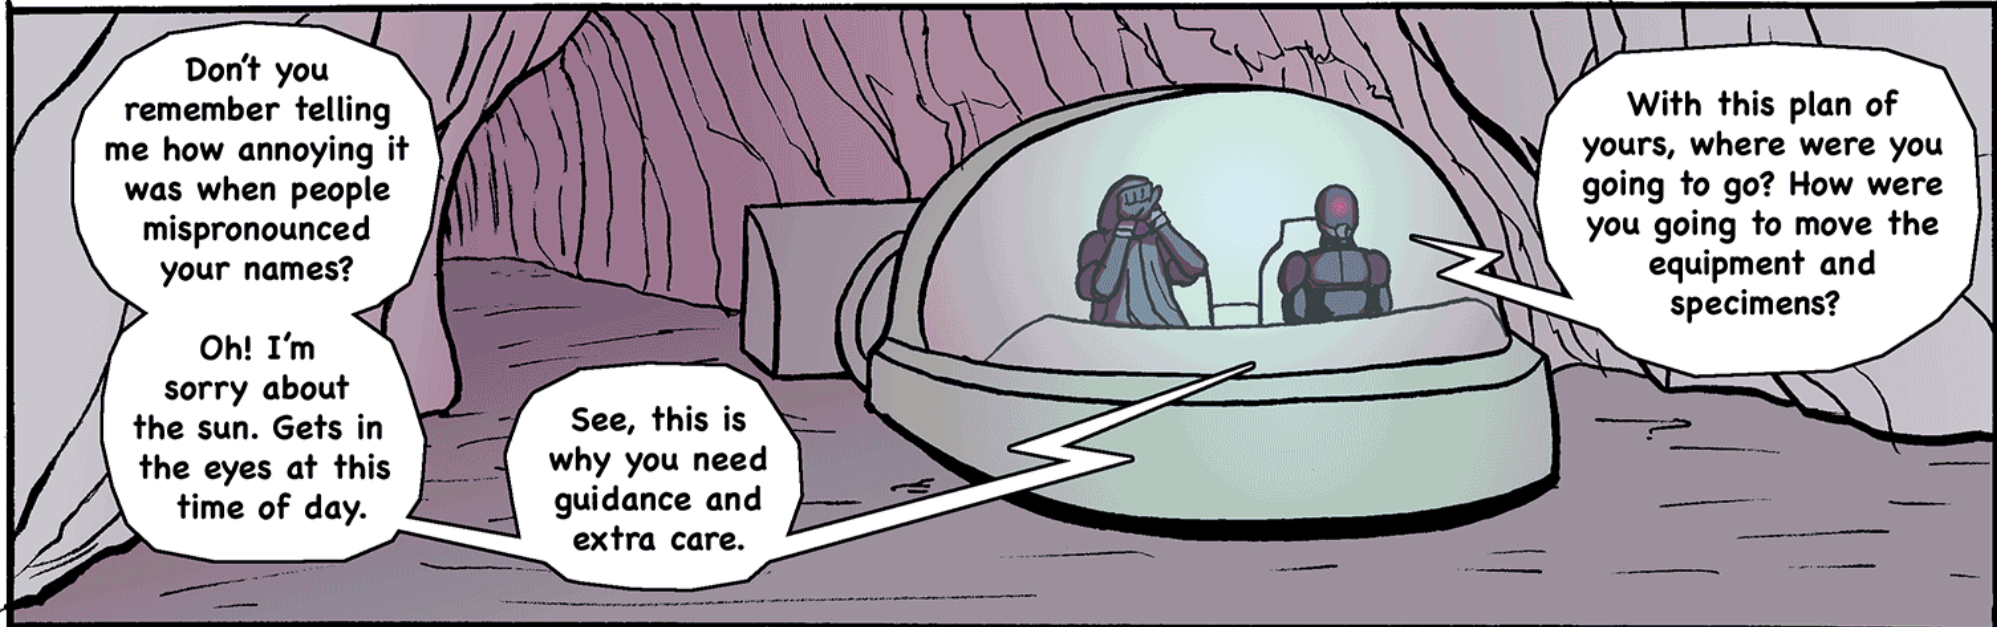

SO, YOU'RE MOVING ALL THREE OF US, RIGHT?

It'll be a new start!

CAN WE USE OUR REAL NAMES? *ZZPT*

Chaney, we've talked about this.

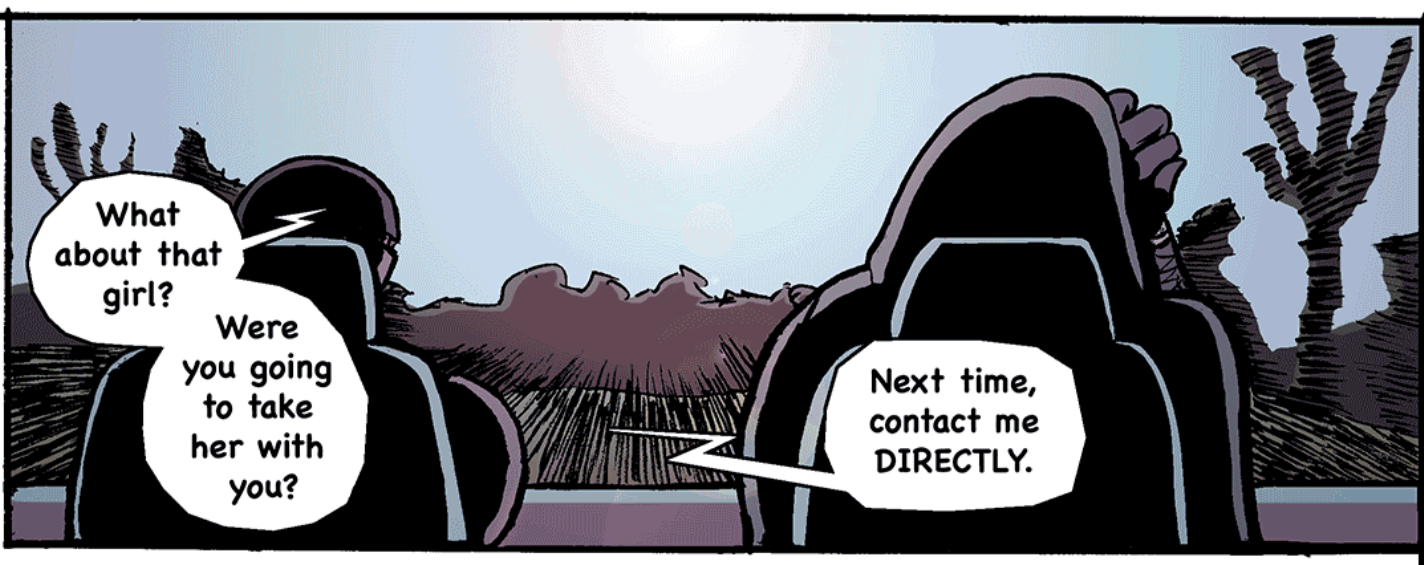

Don't you remember telling me how annoying it was when people mispronounced your names?

Oh! I'm sorry about the sun. Gets in the eyes at this time of day.

See, this is why you need guidance and extra care.

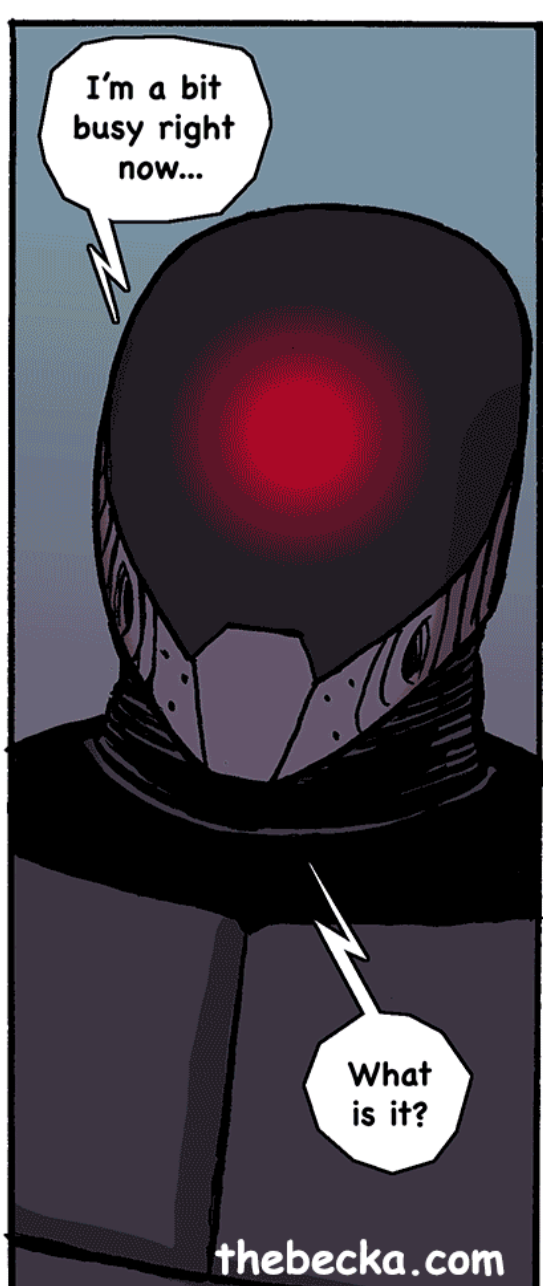

With this plan of yours, where were you going to go? How were you going to move the equipment and specimens?

What about that girl?

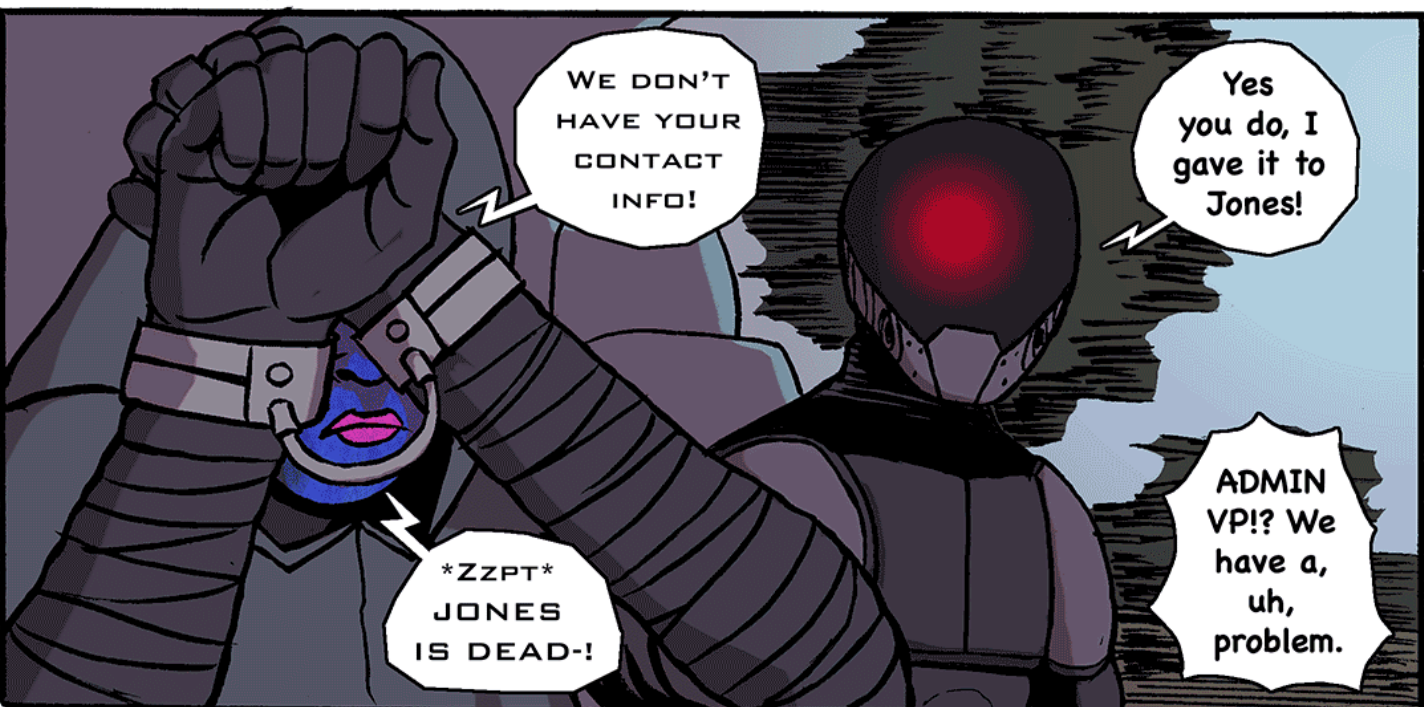

Were you going to take her with you?

Next time, contact me DIRECTLY.

I'm a bit busy right now...

What is it?

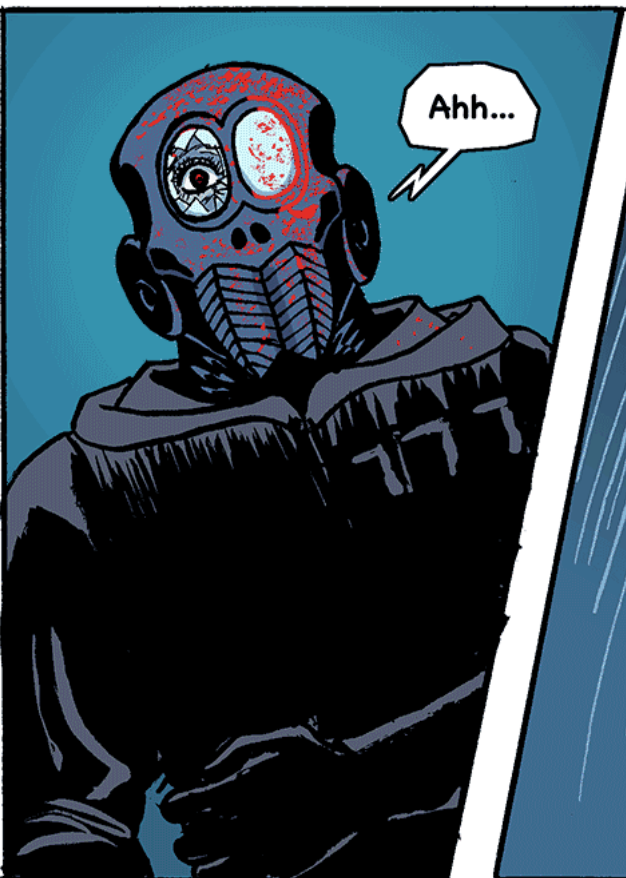

WE DON'T HAVE YOUR CONTACT INFO!

Yes you do, I gave it to Jones!

ADMIN VP!?! We have a, uh, problem.

ZZPT JONES IS DEAD-!

Wanna compare notes?...I'm tired of fighting.

Lauren? I'm so sorry...

I'm sorry too... Why didn't we think to ask each other about the rumours?

Because we trusted her...

...No, I'm sure she was mistaken. Must have...

Speaking of-

Do you know where she is?

I can't find her...

AACK!

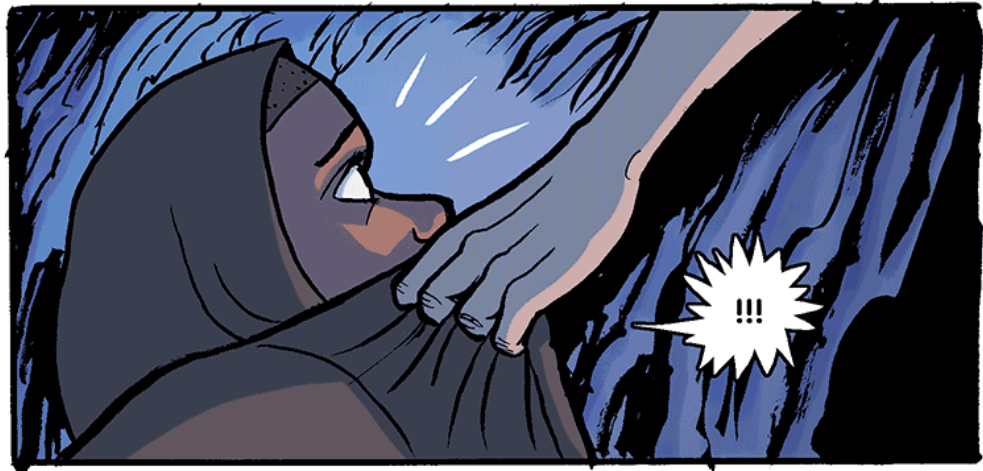

She must be- wait, what?

!!!

HELP ME!!!

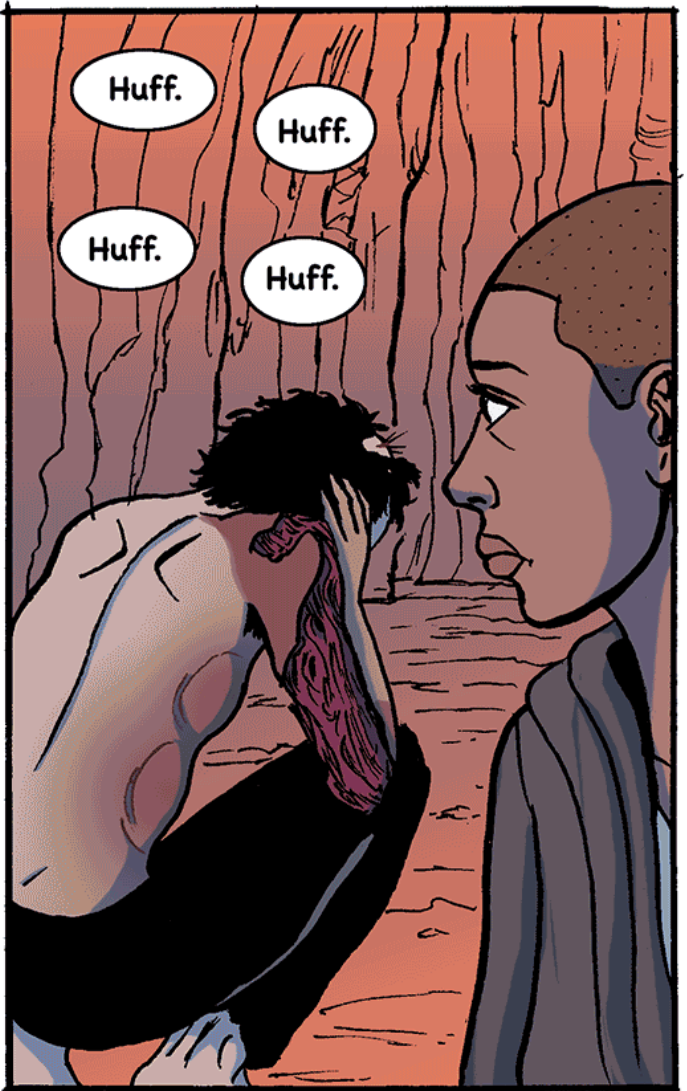

!!!

AAAH

Hey, follow me! He's not gonna last much longer.

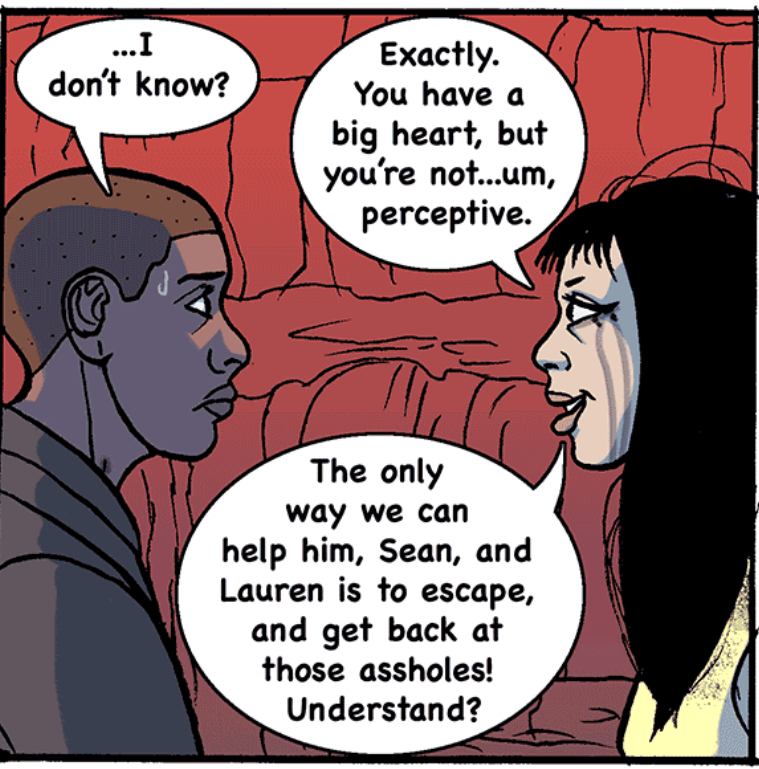

Huff.
Huff.
Huff.
Huff.

Anika, I know you feel really bad, but I need you to FOCUS.

What would you do to help him?

Um...

...I don't know?

Exactly. You have a big heart, but you're not...um, perceptive.

The only way we can help him, Sean, and Lauren is to escape, and get back at those assholes! Understand?

Now, let's go, before you get lost again.

ANIKAAA!
MARCIE!

WHERE AARRE YOOUI?!

Hey,
Anika...

ANIKA!!

...Come
here!

Nah.
I'd rather
see how
Max is
doing.

Also,
you're
right,
I'm not
perceptive.

The
signs
were
on that
fence...

...but
I still
followed
you
here.

RUMBLE

So
you're
saying
that
it's my
fault?!

I
wasn't
the one
who got
lost!

My
FIANCEE
lost his
LIFE,
looking
for
you two!

sob
We
were
going
to go
ring
shopping...

RUMBLE

ALSO,
I didn't
tell you
to follow
me
here-

YOU
DID
THAT ON
YOUR
*&!%\$#!
OWN!

SO DON'T
BLAME
ME FOR YOUR
STUPIDITY!
